Good Afternoon St. Theresa Families,

Yesterday the Superintendent and Catholic Schools Office released this letter updating the Archdiocesan COVID protocols for schools and returning the decision on masking to the individual campuses. At this time, St. Theresa will continue to maintain all current COVID protocols, including the requirement to wear masks while indoors. Fr Phil, with the support of school administration and the St. Theresa School Board, will continue to re-evaluate COVID protocols at each School Board meeting. We have been blessed to have a plan in place that has prevented any spread of the virus on campus and kept students healthy and well in the classroom! The next School Board review will be on Oct. 26, 2021 and we will release another update at that time.

Wishing everyone continued health and happiness!

With Every Good Wish,

Fr. Phil Lloyd
