Quarterly Report to Parishioners - August 7, 2022

During the second quarter 2022, our capital campaign Honoring Our Tradition by Building for the Future, continued along a successful path of collecting outstanding pledges to the current campaigns while still growing commitments to the Phase II project.

Phase One Classroom Project-

For the quarter ended June 30, 2022:

Pledges to the Campaign reached the goal of $3,750,000.00 in the third quarter 2020

Amount Paid on Phase One Pledges increased from $3,726,182 to $3,729,009

Amount of Phase One Classroom Project Pledges remaining to be paid-- $20,991

Phase Two Gym Drive-This drive was begun on July 1, 2020 to fund the balance needed to build both the classrooms and the gym at this time. The Gym Drive goal established at that time is $425,000.

For the quarter ended June 30, 2022:

Pledges to the Gym Drive increased from $586,960 to $594,136

Amount paid on Phase Two Gym Drive Pledges increased from $574,067 to $585,083

Amount of Phase Two Gym Project Pledges remaining to be paid-- $9,053

As this report indicates, the current Phase One and Phase Two Projects of Honoring Our Tradition by Building for the Future are winding down. The Parish has met the goal of $3,750,000 for Phase One and has exceeded the goal of $425,000 for Phase Two. All that is needed to complete these phases is to continue to collect any outstanding pledges which account for just under 1% of total commitments. Congratulations to our parish for meeting these goals and honoring pledges to this point. Since we are this close to the end of the project, this will be the last quarterly report and weekly bulletin report on Phases One and Two. Later this year, we will provide a final report on the entire Phase One and Phase Two projects including the demolition of the Fourth Street building once those bills are paid.

We thank God for the progress and success of our capital campaign to this date and ask that God continue to bless Saints Peter and Paul Parish and its parishioners for their generosity. Sts. Peter and Paul Parish is a wonderful place to grow holy together and to be the Living Christ in our world today and tomorrow.

Everyone loves a mystery and we have a mystery to uncover here at Sts. Peter and Paul. Locked inside the cornerstone of the 4th Street School was a cylinder wrapped in a newspaper from 1921. When the workmen uncovered the cornerstone and looked inside they were quite surprised to see that there was actually something there. What is inside the mysterious package? We will find out on August 24. After the first all school Mass we will gather with our school children and unwrap the 101 year old gift from the past. All are invited to attend the Mass and stay after as we solve the mystery of what was hidden in the cornerstone for over a century.

Thanks to all of you who were either interviewed or submitted your thoughts on the possible building of a parish life center. Your thoughts and comments are essential for us to be able to make a good decision about this exciting possibility. Combining a new building project for the parish with the Diocesan Capital Campaign would be a big undertaking. The support and commitment of all would be crucial for us to be successful.

Please keep praying and discussing this among your family and friends. I am sure that together we will make the right decision.

This weekend you will hear about the new start we are making with our SCRIP program. The Booster Club ran this program for many years and now it is being handed off to the parish.

Purchasing a gift card from Scrip provides an easy way for people to contribute to the day to day needs of our parish while not costing any additional money. You will get the full amount of money you paid at the business of your choice and the parish will get a percentage of the amount for our needs. It is a win-win situation for all.

Many thanks to the Booster Club for running the Scrip program for many years and all the good it meant for our parish and school. Many thanks to those from the parish who have stepped forward to continue this beneficial program for Sts. Peter and Paul.

Blessings to you all as we begin August. Special blessings to our children and their families as the beginning of a new school year fast approaches. Enjoy this summer together.

Fr. Scott

STS. PETER & PAUL PARISH SCRIP

3 types of gift cards

Plastic gift card-can be ordered online and picked up at rectory, this saves you shipping cost

Electronic gift card – bar code will need to be scanned at check out, these cards will be added to your "wallet" in the app

Reloadable gift card – dollar amounts can be added to SOME previously purchased cards/ card number will need to be given at time of purchase

Ways to purchase the above cards:

With Raiseright app, you can link to your bank account and funds are directly taken out of your designated account.

(HINT #1: Raiseright app uses PLAID which is a safe and secure way to link to a bank account. It will ask you to provide your bank username and password to that account. You DO NOT have to provide this! You can by-pass this and manually add your routing number and account number WITHOUT giving your username or password. This will take 1-2 business days to verify, but it does allow this process to work for those who are hesitant on providing confidential information.)

(HINT #2: Upon ordering your cards thru this app, try to order your cards in one bulk order for a .15 cent charge. This charge is per order, not per number of cards)

You can choose to pay your coordinator and pick up your order at the rectory. **We encourage you to pay when you order!** Be aware that orders will be coordinated on specific days of the week and ordered as a bulk order to minimize shipping costs to us. The downside of this option is it takes away from instant access to getting a card and using it at the same time.

You can also choose to pay via credit card, but be aware you will be charged 2.6% of your total amount. This fee is what retailers save in using this program, but the fee is now passed onto you the consumer.
