## Eleventh Annual Book Character Pumpkin Patch

It's time to begin planning, as a family, how to transform an ordinary pumpkin into your favorite book character. This year the pumpkin creations can be brought to school to be put on display in the library for all the students to enjoy. You may use real or plastic pumpkins to make your book character. (The size and weight is something to consider as the pumpkins have to be carried from drop off to the library-helpers will be available for the little ones). [click to read flyer](#).

So mark your calendars for October 25-29!

### **Volunteer and Help Make 2021-2022 The Best Year Yet!**

STCS has several opportunities to get involved this year. If you have 2-3 hours to spare to send a couple of emails, make a few calls or help out at an event we need you! Steps 4 Students 5K Run in February (**running experience not required**) and Volunteers for our Gala & Raffle Committee!

We are still in need of **Fund the Mission Ambassadors for Ms. Torres PK4, Mrs. Hayward Kinder!**

It is super easy to help and the amount of time is only a couple of hours, but your support will have a tremendous impact toward helping fulfill our mission!

### Counselor Corner

We had a wonderful week discussing empathy, friendships, and how to be more organized in school. This next week is Red Ribbon week and I will be talking to Pre-K about making safe choices, and middle school about the dangers of substance use. For study skills, we will be learning about flashcards and memory aids.

For this week's mindfulness exercise, I am including fun YouTube links for guided meditation for children. It is a great introduction to meditation and both are only a few minutes long (also very relaxing for grown-ups).
