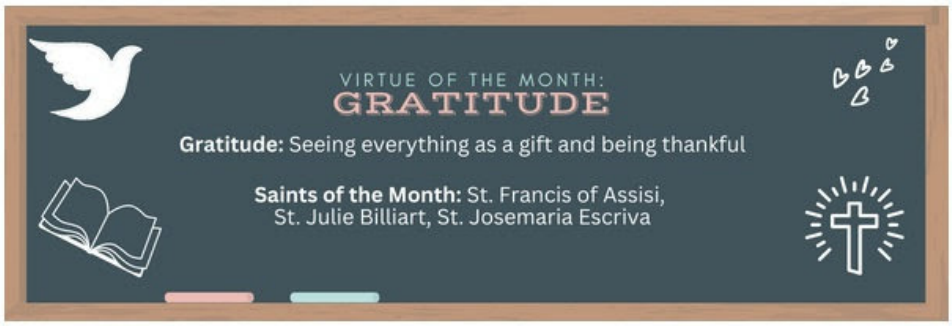
Peek of the Week

January 23rd-27th



Principal's Message

Dear St. Theresa Families,

Despite only having four days of learning, the excitement and energy was filled to the brim! Keep it coming because these next several weeks are going to be jam packed! School Spirit Sunday, and Steps4Students are all in the works! Please see below for more information about these events. Our middle of year testing is coming to an end and we are looking forward to sharing your child's progress with you. We have already seen great growth and achievement across the campus. The dining hall is looking good! We are counting the days until we can come together for food and fellowship.

Week of Prayer for Christian Unity 2023

Lord, you called your people from slavery into freedom, Give us strength and courage to seek out those who are standing in need of justice. allow us to see this need and provide help, and through your Holy Spirit gather us into the one fold of Jesus Christ, our Shepherd. Amen.

Counselor's Corner

Hello all and I hope it was a great week,

We had fun in Prek and Kindergarten learning about conflict resolution and middle school did a great job reflecting on how thinking errors have an impact on their decisions. Next week in Pre-K and Kindergarten we will review self-control, and in middle school we will discuss accepting feedback.

This week's mindfulness exercise is a fun indoor activity you can do with your child's favorite music.
Give your child the instructions to dance as much as they can in one spot when their song is playing and freeze when you pause the music. Also to pay close attention to what happens with their bodies when the music is paused.
After the song is done you can follow-up with questions like: Did your breathing change after the music stopped? Was your heart beating faster? Do you feel more relaxed after dancing?

This is a great way to get the wiggles out on a rainy day and refocus on the present.
