Question of the Week

Why do Catholics kneel at the Consecration? At the Consecration, we kneel, kneeling being the posture of adoration. We are praying with our bodies, not just our minds, and praying that way makes perfect sense for a creature composed of both body and soul. The postures we use during Mass show us—and those around us—what we believe and take seriously. **Please know that standing or sitting is also perfectly acceptable if that is physically more comfortable.**

Submit a question to Fr. Taylor for next week!

Saint of the Week

Saint Mary Magdalene 7/22
Mary of Magdala was healed of "seven devils" by Jesus. She ministered to him in Galilee and was present at his crucifixion. She was in the group of women who were the first to discover the empty tomb, and it was to her that the risen Jesus first appeared.

Mary was a disciple of Jesus and the first evangelist to share the Good News with the world.

St. Mary Magdalene, pray for us!
