Reminder: Thanksgiving Day, Mass is at 9:00am and there are NO confessions.

On this feast of our Lord Jesus Christ, King of the Universe, we are reminded that the first Throne of our King is the cross. The brothers James and John ask to sit on Jesus' right and left and are told those places are already reserved for two thieves. The first one welcomed to his heavenly reward is the good thief that we have named St. Dysmas. We might be tempted to question the company Jesus keeps, but then we would have to question our own presence with Him. The two thieves are mentioned in all four Gospels so it should cause us to pause and reflect on this powerful scene.

First, in this real death bed conversion let us not give up on anyone but, continually pray that, in ways known only to God, they may accept Jesus as their King and Savior. Secondly, with Thanksgiving in mind, let us express our greatest gratitude to our King of Kings Who has made His throne a cross, where His mercy and love flows to us, assuring us of everlasting life if we only enthrone Him in our own hearts.

As the church calendar year ends and we look to Advent, let us pray with St. Dysmas— "Jesus, remember me when You come into Your kingdom," and hear His promise," Amen, I say to you, today you will be with Me in paradise."

Fr Mason
