From the Pastor's Desk

Today's gospel tells the post-Resurrection story of our merciful Savior who goes in search of His band of disappointed and dejected disciples. The incident proves that Jesus' post-Resurrection appearances were not mere hallucinations. In the first part of today's gospel, the risen Jesus appears to His disciples and gives them a symbol of their mission in a miraculous catch of fish followed by a grilled fish breakfast prepared by Jesus. The second part is a dialogue between Jesus and Simon where Simon is asked three times whether he loves Jesus, as if in reparation for his triple denial of Jesus. The two metaphors used in the story, namely fishing and shepherding, are the duties of the Church in her missionary work. Peter, as a forgiven sinner, is chosen for the quality of his love to serve as leader in a community of friends. As his primary mission, he is given the care of the vulnerable lambs and sheep, and he is told that fidelity to this mission will lead him to martyrdom.

-Peace, Fr. Russell Kovash

If we open our hearts to mercy and we seal forgiveness with a fraternal embrace, we proclaim before the world that it is possible to overcome evil with good. #DivineMercy

How Will You Leave a Legacy?

You can avoid excess taxes by giving certain appreciated securities, art, or coin/stamp collections to St. Joseph's Parish. This is a very attractive and substantial way to make a memorial gift.
