FINANCIAL ASSISTANCE

Holy Trinity is committed to making Catholic education available to any family that commits to our mission of Building the Christian Leaders of Tomorrow. Families in need of tuition assistance need to apply through FACTS. The first consideration is given to those who completed the Financial Aid Application **on or before April 4th, 2022.** For more information, go to the admissions tab and choose "Financial Information" from the dropdown list.

In addition to the Holy Trinity Catholic School Tuition Assistance program, we have partnered with ACE Scholarships, which you may also qualify for. When applying through our FACTS Management System, you must check the ACE Scholarship box. Please visit our website for other outside scholarships that you may be eligible to apply for to help defer the cost of tuition.

If assistance is awarded from an outside source, tuition assistance from Holy Trinity may be adjusted.

Please note that for this coming school year, those who receive tuition assistance will be required to help raise \$200 for every \$1,000 they receive in tuition assistance. There will be many opportunities throughout the year to help raise funds. For example, selling raffle tickets (above the required amount for everyone), fall and spring fundraisers. This will ensure we will be able to continue to provide tuition assistance the following year.
