## News from Good Shepherd School

The first trimester just ended and our move to include 5th grade in the middle school structure has been very successful. Students enjoy switching classrooms, moving to teachers that teach their core subjects. The addition of lockers for all middle schoolers has been well received by students and teachers.

Did you know that Good Shepherd's Preschool program is a 5-Star Program?
Kentucky All STARS is Kentucky's expanded five-star quality rating and improvement system for early care and education programs. Studies show that children who attend high quality early learning environments have better math, language and social skills. Also, our strong preschool program provides a great feeder source for our grade school.

Did you know the 8th grade class worked at the men's shelter preparing and serving over 150 lunches? This is part of Good Shepherds community service, giving back to our community.

Did you know Good Shepherd School will be assisting in the St Vincent DePaul Food Drive?
Starting November 12th students are asked to bring can goods to benefit the food drive. The class that collects the most can goods will get an extra FREE gym class with Dr. Ulrich.

Did you know Good Shepherd School sent two students to the Diocesan annual spelling bee and we had one student receive runner-up in the middle school spelling bee.

Did you know Good Shepherd School's Library book fair was one of the most successful for Good Shepherd, in recent history.

Did you know Good Shepherd School holds a grandparent day each year to celebrate the extended families of our students. Our grandparent day started with a beautiful prayer service lead by Deacon Tom Kaldy and assisted by many of the teachers, then they were able to visit each classroom, attend the book fair and then they enjoyed a delicious lasagna lunch in our cafeteria.

Some of our immediate needs:
Assist installing playground guards and spread mulch around the playground area behind the gym.
Working with students in various ways like reading to a class or being a classroom helper (after Diocese Safe Environment requirements are met).
Cafeteria monitor (after Diocese Safe Environment requirements are met).
Gym monitor (after Diocese Safe Environment requirements are met).

**FRANKFORT KNIGHTS OF COLUMBUS COUNCIL**
**#1483 CONTINUES WORKS TO FULFILL PRINCIPLES CHALLENGE**

The Knights of Columbus follows four principles -- charity, unity, fraternity and patriotism-- that are embodied in the organization's works. At its October meeting, Frankfort Knights of Columbus Council 1483 took action to support two of the principles.

**Charity --** The members assembled voted unanimously to renew the organization's commitment to the Good Shepherd Peace and Justice Committee by providing $150 each month to support the Committee's outreach with the ACCESS Mens' Shelter.

**Unity --** The members assembled also began the process to spend more than $900 to purchase new dining tables for the Parish Life Center as recommended by the Facilities Manager. The dining arrangement using round, banquet-style tables for the school lunches and some other events was inappropriate.

The Frankfort Knights of Columbus Council 1483 is a fraternal organization welcoming to all practicing Catholic men over 18 years of age. The benefits of membership are many, not only to men but to the Knight's spouse and family. Knights public events are all-inclusive. Please speak with any Knight for more information on Council 1483 and its activities. Joining is a gift of time, talent and treasure that returns rewards to the member and his family.

**DIOCESAN MASS OF ATONEMENT**: All are invited to this Mass, celebrated by Bishop John Stowe as we seek repentance, change, forgiveness, justice, healing and reconciliation within the Church. Many of the priests of the Diocese will join Bishop John for this special liturgy. **Wednesday, November 28 at 7:00 p.m. at the Cathedral of Christ the King**. During this Mass, prayers will be said for the healing and support of all victims of clergy sexual abuse, for the conversion and just punishment of the perpetrators and concealers of sexual abuse, and for the strength of the bishops to be holy shepherds in protecting and leading their sheep from all harm.

**CAMPAIGN FOR HUMAN DEVELOPMENT:** This annual collection will be held the weekend of November 18th. Envelopes may be found in your packet. For over 43 million Americans, there is a thin line: between eviction and home, between hunger and health, between unemployment and work, between anxiety and stability. This line is the Poverty Line. For a family of four, that line is $24,257 a year*. * Source: U.S. Census Bureau, *Income, Poverty, and Health Insurance Coverage in the United States, 2015.* The Catholic Campaign for Human Development is dedicated to breaking the cycle of poverty by funding community programs that encourage independence. You are essential to its success. Your generous donations will give those in poverty the support they need to make lasting changes. Together, we can make a difference in families and communities across the United States. Please donate prayerfully and generously. Thank you.

**Stewardship: A Way of Life**

Today's readings center on the actions of two poor widows. In the eyes of the world, particularly in Biblical times where there was no life insurance or Social Security, these widows were weak and dependent on others to take care of them. They each found themselves in desperate situations. Yet each demonstrated strength and generosity that distinguished them from those around them. From where did this strength come?

It came from knowing who they are, and *whose* they are. Their security came from knowing they were daughters of the Most High God and from putting their faith in Him. Their faith in God set them free to trust Him when all seemed hopeless. Their faith kept them detached from material possessions. Their faith allowed them to be brave and generous, to think of others despite their own trials.

These women saw themselves as stewards, not owners, of the resources God gave them, regardless of how much or how little they had. And acting as stewards made them gracious, generous and mighty indeed. *(Stewardship Consultants, Inc.)*
