REGENT MESSAGE CENTER

My dear Sisters in Christ: With Lent approaching, it's time to start thinking, not so much about what to give up for Lent, but more about "what can I do that will bring me closer to Christ." These acts or practices during the 40 days of Lent should push us to be better Catholics, better children of God, and YES, they should take us out of our comfort zone. Consider attending 8:30a.m. Mass; reciting the holy rosary daily as our Blessed Mother asked at Fatima; spending time reading the Bible each day; or better yet, do it in the adoration Chapel. Make Lent 2020 a special time to grow closer to Our Lord in thanksgiving for all He has done for us. Happy and Blessed Lent.

The Catholic Mutual Group-Safe Haven online training is replacing the VIRTUS training. If you are still in compliance with the VIRTUS, you do not have to take this course until just before your five (5) year anniversary expiration. Any person involved in any ministry at St. Anne's is required to comply with the Safe Haven Program. This can be done online in the comforts of your own home. If you are not able to do that, we will have a session in the Parish Hall to accomplish this process. Further information is available by contacting Elaine Steinbach or Diane O'Donnell. **galvestonhouston.cmgconnect.org** Make sure to select *St. Anne Tomball*.
