Pastor's Notes

The 18th Sunday of Ordinary Time

As the summer moves along, many have been asking about when Father Storey will be returning to the parish. I have spoken with him, and although I do not have an exact date, he expects that it will be early in August. I am happy to hear that, and I know that many have been anticipating his return as well.

Who would have foreseen the kind of economic, health and school attendance scenario that we have been experiencing? We are still in the midst of coping with the uncertainties associated with these situations.

The members of Cure of Ars have been extraordinarily patient and united in helping the staff to continue to offer the Mass and sacraments here. Baptisms, Funerals and Weddings have been disrupted, put off, or held with a minimum of participants, and will continue to be offered in the best manner possible. Thanks to all for both your continued attendance and financial support.

Along with this, we are finishing up with the addition of the Parish Activity Center, renovation of the administration offices and converting the gymnasium into Middle School classrooms. There are also many other infrastructure updates within the buildings, as well as the reconfiguration of the entrances and exits from Mission Road. Your continued support of the rebuilding campaign will continue to see us safely into the completion of these projects.

At the present, we are preparing for the re-opening of the school for the fall semester, and much planning and attention to health and safety have been ongoing through the summer. Keeping up with the various announcements from all of the health, education and governmental agencies have been a focus of these preparations.

We are holding five first communion Masses on the 1st, 8th, and 15th of August in order to comply with the need for separation. Congratulations to the parents, grandparents and children of these young ones receiving Our Lord in the Eucharist for the first time..

Father Frank Burger

Knights of Columbus

The Curé of Ars and St. Ann Councils of the Knights of Columbus had a friendly challenge to see which parish would contribute more food and cash donations during the Catholic Charities' July Food Drive. Sadly, St. Ann won the challenge contributing 3,833 lbs. of food versus 3,323 lbs. for Curé. St. Ann also received $2,432 in cash donations versus $1,290 for Curé. Still, the Knights' first principal is Charity and the Knights at Curé are pleased to help with these monthly food drives, just another good reason to join us. To become a member of the Knights just go to www.kofc.org and click on JOIN. Also visit our website at www.cureofars.com/knights-of-columbus.
