The Most Holy Trinity

GOD SO LOVED THE WORLD THAT HE GAVE HIS ONLY SON.
—JN 3:16

MALLIA'S MOMENTS

Today we celebrate a fundamental truth of our faith; that God is a Trinity of persons sharing one divine nature. We know this because God has revealed this to us in the experience of God as Father, Son and Holy Spirit. To understand the trinity, we must understand the source of the unity; divine nature. This led me to think about some of the situations in the world today.

Take for example the uprisings in various cities in our country recently in response to the reported use of excessive force by some police officers, the disfunction of our political process, the various wars around the world, the violence experienced daily by people, the persistence of bigotry and other forms of hatred, the termination of pregnancies, the disposable approach taken towards the elderly and dying and so forth are the result of a focus on what is perceived to be differences among us rather than that which is common to us.

When looking at the Trinity, too often people try to focus on how the Father, the Son and the Holy Spirit are the same by focusing on what they do. People generally do not look at the concept of divine nature because our mentality is, "you are what you do". That is not true of people and it is even less true of God. We are who we are because of our nature, not our position, in society and God is a Trinity because of a shared divine nature, not what the persons of the Trinity do. The Trinity is undivided because of the unique nature of their divinity. What we have done is divided ourselves as people by setting aside our common human nature. We are no longer humans, we are divided by political perspectives, by gender identification, by race, by financial status, by celebrity notification, by twitter followers and any other contrived division.

Our insistent emphasis on being unique has so disconnected us from each other, we have probably even disconnected us from ourselves. We have created a culture of seclusion and isolation. We no longer seek to be like each other in any way, because then we would be denying who we think we are and that reality can change as I further discover and re-identify myself based upon what my personal, at this moment, self-identification tends to be.

You cannot create a society based solely on what is unique about us, but on what is truly basic to us. The uniqueness is not lost in our unity, but it is used to enhance the experience of the whole. Is it any wonder that hate persists in the world? How can we expect to get along with each other when we are at the same time told we are to emphasize what is different and if you are different from me, you are wrong, because I know I am right because what I believe is true to me though it may not be true to you. See the problem?

On this Trinity Sunday when we focus on the unity of God in the divine nature, maybe we could also try to rediscover the unity that is found in all human beings by our common nature. Maybe we could just stop trying to be different long enough to realize we all have the same starting point. Maybe we could stop talking about being respected and start showing it towards others. Maybe we could stop yelling long enough to start talking and maybe, just maybe, we can stop defining ourselves by our own definition of truth to discover what truth really is. Then maybe we could put an end to all the evil in the world.

MALLIA'S MOMENTS *Continued from Page 1*

The simple truth is this; that evil divides and all divisions are the result of evil and nothing good comes from evil. God and goodness unite, give life and bring peace. You can't reach a goal by going in the opposite direction. If we want all that is wrong to stop, we need to turn to God and embody the mystery of the Trinity by being unified in nature and not divided by actions. Have a good week.

Fish Fry on June 12th to support St. Augustine School

Please consider supporting St. Augustine School this upcoming Friday by joining us for our Fish Fry. We had already purchased the fish for our Lenten fish fry, but we had to close down. The dinner starts at 4:30 and goes until 7:30 or until supplies last. Hope to see you there.

School is out for summer vacation

As schools have now closed down for the summer break, just a quick reminder to be careful as you drive around because kids don't always look around before they cross the street, ride their bikes or chase a ball. Keep alert and don't drive distracted!

I also wanted to thank all teachers at our school and the various public schools who have had to make huge adjustments to how they teach our children. I very much appreciate your efforts and wish you a well-deserved summer break.

Congratulations to all graduates!

I also wanted to congratulate all those who graduated this year from our area schools. I wish you all well and pray for your future success.

Please keep checking our Facebook or website on information about the Corpus Christi Walk with Jesus, outdoor mass at 10:30 and the parish celebration afterwards.

Also, please keep up to date with information regarding the festival at St. Augustine in August. It is our plan to keep moving forward with some adjustments. Thank you.

Finally, please know that we are doing our best to keep you safe at mass, so I want to encourage you to attend mass. Just because the archbishop has dispensed the obligation to attend mass, that is really intended for those in the most susceptible groups. If you are not part of those groups, you should make every attempt to get to church. In other words, try to get to mass. Thank you. Have a great week.

The hospital has designated areas to keep you safe from exposure to coronavirus.

Thank You!

Many thanks to those who have sewn and donated face masks to our parishes. Our supply, as least for now, has been replenished, thanks to your efforts.

Pentecost Sunday

Celebrating Sacraments

After an extra-long wait, our parishes welcomed Kyle Donato and Miranda Townsend with baptism, Confirmation and Holy Eucharist. Meghan Schweihofer entered the Church through Confirmation and Eucharist. The feast of Pentecost was a remarkably appropriate time to celebrate the addition of these new members of the faith community. While not quite what they had been anticipating, it was no less joy-filled for them, and for everyone privileged to be a witness at this liturgy.

Included in the celebration, Holy Family parishioner Leo Gaffney, completed his initiation with the Sacrament of Confirmation.

Venturing Out? Here's How to Stay Safe!

Since people are starting to leave their homes again; here is how to go out and stay *as safe as possible* during this coronavirus pandemic.

1) Stick to the outdoors
It's harder for the virus to spread outside; It's easier to keep distance from others when you're outside; Sunny, warm, and humid weather hurts the coronavirus a bit. So if you're having friends over, consider hanging out outside and keep it to a small group.

2) Follow good hygiene practices
Yes, washing your hands can be tedious, and we're all tired of hearing about it, but it works. If you want to minimize risk to yourself and others, you should do it.

3) Wear a mask
There is widespread consensus that people should wear masks when they go out, especially in public settings where other social distancing measures are difficult to maintain. A mask offers some protection by creating a physical barrier.

4) Stay away from crowded settings.
This applies to the outdoors, too: People who don't live together just shouldn't be stacked together for long in any setting. Avoid too many people; try to stay 6 feet apart; avoid handshakes, hugs, and kisses.

5) Avoid shared surfaces
Avoid shared surfaces or at the very least, wipe them down before using them (ie. door handles, counter tops, swings, benches, grocery carts) Avoid sharing things (ie. food, drinks, toys, board game pieces, etc)

6) Space out trips outside the home as much as possible
Plan ahead. Make the most out of necessary trips (things every islander is well accustomed to!) This applies to social gatherings, too. Space out visits with friends/family (or better yet, meet on Zoom)

7) Create a "closed circle" with specific friends or family
People are suffering in isolation. Creating a "closed circle" with a friend or family member, in which all agree to avoid contact with everyone else still carries some risk, but loneliness also increases premature mortality by 26%. In order to sustain this for months or even years, we have to think about how we can connect with others in a way that keeps risk as low as possible, that allows people to feel like they're living their lives. For example, even when hanging out with your "closed circle", go outside when possible, wear a mask, follow good hygiene, and keep physical distance from each other.

8) If you're in an especially at-risk group, be extra careful
If you're more vulnerable (asthma, diabetes, liver disease, obesity, > 65) have someone shop for you. If most people wash their hands 7 x a day, wash yours 14 times. If others stay 6' apart, you stay 10'. The most important thing**: Avoid indoor spaces that bring you within 6 feet of people, who are not from your household, for long periods.**

Spiritual Communion

My Jesus, I believe that You are present in the Most Holy Sacrament. I love You above all things, and I desire to receive You into my soul. Since I cannot at this moment receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there and unite myself wholly to You. Never permit me to be separated from You. Amen.

The prayer list was updated. If someone who was on the prayer list came off that still needs to be on the prayer list, please contact the parish office either by phone or by email at cwullaert@holyfamily-online.org.

VOLUNTEERS NEEDED

Now that we are able to return to Mass, there are certain policies and procedures in place to keep everyone safe. For instance, everyone is to wear a mask and to sanitize their hands as they come into the church.

Additionally, the worship space, the gathering space and the restrooms will be disinfected after each Mass. These new policies and procedures are critical for keeping Mass in place and protecting everyone's health. To ensure that the disinfecting process is completed in a timely manner, we are in need of six volunteers for each Mass.

Please prayerfully consider being a volunteer and sign up using *Sign Up Genius* at ***https://www.signupgenius.com/go/5080b44a9ae2ba6fb6-after.***

Catherine will be leading the sanitizing teams at Holy Family and Jessica Leenknegt will be leading the teams at St. Augustine. They can be reached by email: Catherine at cwullaert@holyfamily-online.org and Jessica at st.ahfyouthministry@gmail.com.

Prayer During A Health Crisis

Compassionate and Loving Father, In the face of confusion and concern impart to us the calm of your presence. In You allow us to find hope and healing. Be with those who serve the sick and give them Your caring hands. Be with those who lead and give them Your Spirit of wisdom. Be with those who have fallen ill and give them Your comforting heart. Wrap your arms around our world and hold us in your love. Allow us at this time of trial to then serve as instruments of that love to all we meet.

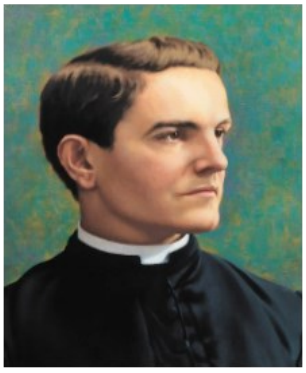
We ask this in Your Name. Amen. ©LPi

KNIGHTS OF COLUMBUS NEWS

Decrees of the Congregation for the Causes of Saints.

On May 26, 2020, the Holy Father Francis received in audience His Eminence Cardinal Angelo Becciu, prefect of the Congregation for the Causes of Saints. During the audience, the Supreme Pontiff authorized the same Congregation to promulgate the Decrees regarding the miracle, attributed to the intercession of the Venerable Servant of God Michael McGivney, Diocesan Priest.

He was born on August 12, 1852 in Waterbury (United States of America) and died in Thomaston (United States of America) on August 14, 1890. Venerable Michael McGivney was the founder of the Knights of Columbus, now the world's largest Catholic fraternal organization.



After studies in Canada and the United States, he was ordained to the priesthood by Archbishop James Gibbons in Baltimore. He founded the Knights of Columbus as a mutual aid society, geared especially to working men and their families. He was known for his tireless work among his parishioners. He died at the early age of 38 from pneumonia.
