

The 2020 St. George Church golf outing on August 9th at the Swan Lake Golf & Country Club was a tremendous success due to the support of many parishioners and members of the local community. This event is the major fundraiser for St. George Church and we ask all parishioners to join us in thanking the families and businesses that helped make it a success. Please remember to support by your patronage the local businesses that support us!

One of the most beautiful and universal titles of the Blessed Virgin Mary is her title as Queen, honored on the **August 22nd feast of the Queenship of Mary**, the octave day of the feast of her Assumption. The Queenship of Mary is very closely associated with the dogma of her Assumption into heaven. Catholic Tradition holds that once Mary, the Mother of God was assumed into heaven at the end of her earthly life, she was then crowned as Queen of both Heaven and Earth to reign alongside her Son, the King. This is why the two events in Mary's life are side by side in the Glorious Mysteries of the Holy Rosary.

Let us offer a special welcome home this weekend to Fr. Bob Higgins, joining us from St. Mary of the Angels Catholic Church in Anderson, South Carolina. Fr. Bob, born and raised here in Sullivan County, NY will be with us through the weekend of August 30th.

You can almost hear the chuckle. It is not mentioned, but I always imagine that Jesus smiles or even laughs as he delivers the line, 'Woman, you have great faith.' Today's gospel recounts an unusual exchange between Jesus and the unnamed Canaanite woman who challenges him. She has seen what Jesus can do, she has faith, and she is advocating for her daughter. She is persistent, shouting out to Jesus and apparently also badgering the disciples, to the point where they plead with Jesus to 'give her what she wants.'

Jesus' rebuke seems shockingly unkind: 'It is not fair to take the children's food and throw it to the house-dogs'. But the woman doesn't give up. It is a matter of justice for her, as is evident in her witty response about the dogs getting the scraps from the master's table. 'Good for her!' - we feel like cheering.

It's a strange story, with Jesus at first appearing cold in his response to the woman. But as we know, he has a tendency to test his followers. His disciples, who know him well and have seen lots of miracles, often fall short. But this woman passes with flying colors. Jesus can see that she is a person of strong faith, clever and determined. She is not easily dismissed. In allowing her to state her case, Jesus also presents a challenge to the religious and social status quo. This pagan woman (Jesus' reference to 'house-dogs' tells us a lot about her status) exhibits more faith than his own disciples.

Jesus does not want us to be silent, compliant or complacent. He rejoices in those who are brave and persistent, and eager to challenge the injustices they see around them - those who have the gift of changing minds and hearts. We might call it the gift of prophecy. ~ [Intercom](#), Triona Doherty
