

### May: The Month of Mary

It is a centuries-old custom of Catholics to dedicate the month of May to the Blessed Virgin Mary. The month of May is always part of the Easter season, the fifty days we celebrate in the liturgy the Resurrection of Our Lord, a time also of awaiting the outpouring of the Holy Spirit at Pentecost. The celebration of May as a Marian month fits well with the liturgical celebrations of Easter and Pentecost as we recall Mary's great joy in her Son's victory over death as well as her presence with the apostles in the upper room prayerfully awaiting the descent of the Holy Spirit at Pentecost. Participate in Mary's month by frequently reciting the Rosary and by attending Mass.

**Our parish May Crowning will take place on Sunday, May 9<sup>th</sup> at the 9am & 11am Masses at St. Francis and St. George respectively.**

*"Labor is a gift from God ... Work was a means to an end, not the end in itself. The end, the goal of labor, was dignity, the satisfaction of a job well done, the opportunity to use one's talents for the common good, and the provision for one's family and future security. ### Bound Together, by Triona Doherty

Have you ever visited a vineyard, with its rows of vines, heavy with clusters of ripe grapes? If you're not familiar with vines, think of an apple tree laden with apples, or a fruit bush ripe for picking. In today's Gospel, Jesus uses the metaphor of a vine to describe his relationship with his disciples. He tells them that he is the vine, and they are the branches. The life of Jesus flows into us and sustains us, and this is the reason our lives can bear fruit in love, in kindness, patience, compassion and welcome.

The symbolism of the vine works on many levels. If a branch is separated from the vine, it cannot flourish on its own. It must be connected to the vine from which it gets its nourishment. Each of us must be firmly rooted in Jesus and nourish that relationship. He invites us to 'remain' in him - to rest in him, to be part of him. And if you look at a vine plant, often its branches are so entangled, it can be hard to know where one ends and another begins. We note that Jesus is addressing the disciples as a group rather than as individuals: 'you are the branches'. We are a community, and we grow together, bound together by the love of God.

Today, we reflect on what it means to be so intimately connected with Jesus, the true vine. We bring to mind the many gifts he has given us, and the ways in which his love bears fruit in our lives.

The National Day of Prayer is an annual observance held on the first Thursday of

May, inviting people of all faiths to pray for the nation. It was created in 1952 by a joint resolution of the United States Congress, and signed into law by President Harry S. Truman.

The National Day of Prayer has great significance for us as a nation as it enables us to recall and to teach the way in which our founding fathers sought the wisdom of God when faced with critical decisions. It stands as a call for us to humbly come before God, seeking His guidance for our leaders and His grace upon us as a people. The unanimous passage of the bill establishing the National Day of Prayer as an annual event, signifies that prayer is as important to our nation today as it was in the beginning.
