MEDFEST 2022 AT ST. ELIAS ORTHODOX CHURCH

Members told us that email and bulletin announcements were best means of communicating although we do use the parish website and newsletters and to promote upcoming events.

Recognizing that each senior adult is an individual, we strive to be flexible and innovative as we plan programs and activities. Our goal is to provide an active social calendar of enjoyable things to do where young-at-heart seniors can take part and create new memories.

Prime Timers

PRIME TIMERS are group of parishioners over age 50—couples, singles, widowed or divorced who are eager to meet others in a social setting. The group offers activities, events, trips and fellowship. If you're a young-at-heart senior and want to participate in a variety of activities with other friendly people, this group is for you. Join friends or come make new ones. There are no dues.

17-years ago St. Catherine of Siena began a new **senior** ministry called the Prime Timers. A group of staff members and some parishioners felt there was a need for an organization for age 50+ seniors to gather in a social setting.

Thus, Prime Timers came into being. The first meeting was held in May 2005 and featured a lasagna lunch. Since that first luncheon, many have joined the group. And, it has been a wonderful journey together.

We provide a variety of activities for seniors who want to get together for fellowship and fun.
