Readings: Chapter 8, “Thresholds of Conversion...” (161-177)
Chapter 9, “Break the Silence” (179-193)

Getting Started: What about this reading most surprised, challenged, or inspired you?

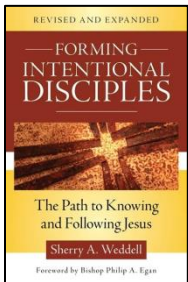

Practice a Mini Threshold Conversation

Starting question: **What has your relationship with God been like *in the past year*?**

As needed, use additional questions/prompts from pages 190-192 to keep the conversation moving.

Closing question: **If you could ask God one question that you knew he would answer right away, what would it be?**

Next Steps: How can we apply the insights from this reading to help form intentional disciples within our parish and neighborhoods?
