Making Masks for Hospitals But they need your help!!!

Our 'Piecemakers' have gotten together a couple times to help make masks for area medical facilities in Sioux City. Spreading out throughout the Church hall, they completed 100 masks they were excited to receive them! They are currently working on more to send to another local hospital and are in need of a few items!

If you have any elastic or mild wire which can be used for the nose pieces, please drop them off at the office!

If you would like to assist in cutting out the pieces they use from the pattern, please contact the office!
