May 19, 2018

Dear friends in the Lord:

It's time again for our annual special collection for the *Church in Latin America*. Although the people are faith-filled, the needs in this region of the world are great—and often seem insurmountable. The distance between rural areas and deteriorated roads make it difficult for some communities to have Mass celebrated regularly. Language barriers and lack of resources make catechetical materials difficult to produce. We are called to share our faith with all, and today's special collection is a prophetic and bold way to do so.

For example, in Cuba, in the Archdiocese of San Cristobal de la Habana, the Church is not present in many of the smaller or rural communities. For many years, there were no priests or missionaries and there was no mission house—not to mention a church building—to which the people could turn. The message of the Gospel could not spread because there were very few messengers to share it and few places where people could go to hear it. But, with your support, pastoral agents have received training to bring the Gospel to these areas and neighborhoods. Your support has helped bring people to the Church through religious education and retreats and has brought the Church to the people through evangelization efforts and the repair of church buildings. This has given them the hope and the joy of the Gospel.

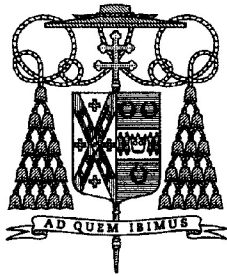

Please be as generous as you can to this special collection, and take this opportunity to share your faith with many families in *Latin America and the Caribbean*. Your support truly makes a difference.

With prayerful best wishes, I am,

Faithfully in Christ,

+ T. Michael Cardinal Dolan

Dear friends in the Lord:

Here in the United States, there is a great need for evangelization and for sharing the message of Christ and the beauty of His Church. And yes, we all know that the Church at home needs to be strengthened and fortified. And so, we take up the *Catholic Home Missions Appeal*, which supports the neediest (arch)dioceses in the United States. This special collection makes the most basic faith programs possible and shares the Gospel message with our brothers and sisters in (arch)dioceses where Church communities are scattered and struggling.

For example, the Diocese of Pueblo's terrain, very mountainous and lonely, has shaped the attitude of pastors and parishioners alike—they tend to be highly independent. This has served them well, since only 44 priests and 45 deacons are available to serve the needs of over 64,000 Catholics. The diocese is primarily rural, covering the entire southern half of the state of Colorado, and the priest shortage is felt very strongly there. But with your support of the *Catholic Home Missions Appeal*, the Diocese of Pueblo offers lay ministry training programs. This training will enable them to serve the most isolated parishes and offer spiritual support for Catholics in the diocese.

Your support of this special collection makes a difference in the faith lives of our brothers and sisters right here in the United States. Please prayerfully consider how you can support the appeal this year.

With prayerful best wishes, I am,

Faithfully in Christ,

+
