February 1, 2026  
4<sup>th</sup> Sunday of Ordinary Time

My Dear People of God!

This past week, we celebrated Catholic Schools Week in the United States. It is a time to give thanks for the ministry of Catholic education that has been fundamental in our nation's development and a movement where people see the gift of Faith meeting culture. As a product of Catholic education, I am glad to oversee the efforts that we continue. In our Parish with ICCS and also the continuing of the efforts at Saint Louis, I am pleased to see what we can offer to help form young men and women secure in their Faith and knowledgeable about the world.

It is the right and duty of parents to ensure that education of their children takes place. Whether parents send their children Catholic schools, choose to educate them themselves through homeschooling, send them to public school, or do a combination of all these choices; we must continue to support parents in the rearing of children who grow up to fear God and know His ways.

This week, we continue to consider the last paragraph or article of the Creed that looks to the nature and the mission of the Church. "I confess one baptism..." this statement reminds us of the importance of our Baptism. In our particular baptism, four major things occur in each person. First, we are forgiven of or washed from Original Sin that we inherited from our First Parents. Second, we are forgiven of personal sins that we may have committed until that point. Third, we are made into children of God, able to call our Father. Last of all, we are made members of the Church of Christ.

For the next two weeks, I would like to consider these four points in more detail. Baptism is fundamental after all and so we call it the "Gateway Sacrament" through which all things of grace happen in our lives. Therefore, it is good to delve more into this central statement of the Faith.

For our part this week, I think that a good challenge to thank our Lord for the gift that Baptism has been for us! Through it we experience these four major occurrences. By it, we receive the invitation to eternal life.

God Bless!  
Father Ruben Buller

### Children's Church: 11:15 AM Mass

The Cathedral's Catechesis (commonly called "Children's Church") for children who are 3 years of age through 2nd Grade, or its equivalent, is offered at the 11:15 am Mass (children must be potty trained!). ### LENTEN BIBLE STUDY: FEASTING ON GOD'S WORD

Beginning Thursday, February 19, 2026, Father Ruben Buller will be leading a Lenten Bible Study that will be held each Thursday of Lent. The evening begins at 6:00 pm and there will be no food served; remembering the words of our Lord, we do not live on bread alone but every Word that comes from the Mouth of God!

Our topic will be the Exodus Event (the Book of Exodus, Leviticus, Numbers, and Deuteronomy). This event became the seminal moment that defined the Jewish People and was the model for the early Christians how to live their Lenten life. In preparation, those who plan to attend may read Exodus 1, 2, 3, and 4.

# FINANCIAL STATEMENT

---

---

February 1, 2026

Dear Cathedral Parishioners,

By Diocesan Policy in the Diocese of Lake Charles, each year we are to make an annual report of the revenues and expenditures of the church parish. In light of the Hurricane Recovery and changes in the Fiscal Office of the Diocese, we have not been able to make this report for the past two years (the Fiscal year of 2022/2023 and the Fiscal year of 2023/2024). I am pleased to say that with the assistance of the Diocese, we are able to make this report once again.

I would like to point out a few things about the report. First, the Cathedral Parishioners are extremely generous! Through your generosity we have been able to give to the needy in our community through our outreach programs, to ensure that our youth have a place to be formed as Christians in our Youth Ministry, to ensure that our parents are assisted in Catholic Education through tuition assistance to our Catholic Schools of ICCS and Saint Louis, and that our church has the beautiful liturgies that is the efforts of the choir and those who assist in the upkeep and decoration of our church each liturgical season. Each time the Cathedral parishioners are asked, they respond with generous hearts and hands to the needs of our parish and community.

Second, I would like to point out that our insurance premium has increased over the past few years. This is because of the historic nature of the storms in 2020 and 2021 and the reevaluation of each diocesan site that took place under the leadership of our Bishop. While no proceeds will ever be able to replace the value of what could be lost, the current insurance policy of the Diocese for our parish better reflects the needs that we could possibly face.

Last of all, you will notice as a separate item what the Diocese has already spent on hurricane repairs at the Cathedral. Because of the historic nature of the building and its architectural specifications, it is costly to make these repairs which are still taking place. We are awaiting the final word from the national FEMA program which allows us to legally obtain federal monies for these repairs. This works as a reimbursement which means that we had to first pay the amount and finish a project before completing the work. We would not have been able to do this on our own. We should be and are grateful to the Diocese for helping us, the other parishes, and the schools in their repairs. However, we are still required to pay 10% of the federally approved damages. We are doing this now in anticipation of the reimbursement which will pay for the majority of the remaining balance of the Hurricane Repairs already completed.

We have done much good, and your generous gifts to the Cathedral have helped to make this possible. I pray each day in gratitude to you for this generosity. May God continue to bless you and your families in the years to come!

God Bless!

Father Ruben Buller
