### **“We are Incorporated.”**

When we talk about the Body of Christ we can be talking about several manifestations. First, we can talk about the actual human body of Christ; the body conceived in the womb of the Blessed Virgin Mary, the physical body that walked through the Holy Land, the body that withstood the passion and death, the glorified body that rose alive from the tomb and ascended bodily into heaven.

Second, we can talk about the Body of Christ in the Eucharist. In the Eucharist, the bread and wine, through the actions of the priest and the working of the Holy Spirit, become the actual Body and Blood of the glorified, living, ascended Jesus, the Christ, human and divine. It is this Eucharistic Body of the living Christ we receive in Holy Communion.

Third, we can talk about the Body of Christ as the Mystical Body of Christ, the Church. This is the Body of Christ on which I wish to focus. The Mystical Body of Christ consists of three parts: the Church Triumphant, those departed souls who have attained the glory of heaven; the Church Suffering, those departed souls in Purgatory who await the invitation to the heavenly banquet, and The Church Militant, we the living, who are tasked with fulfilling God’s plan on earth.

We, as Catholic Christians, are incorporated into this Mystical Body of Christ. The word incorporated usually sounds like a business term, but here its meaning is more profound. It comes from the two Latin words “in” and “corpus,” or body. Through the awesome Sacraments of Initiation (Baptism, Confirmation and Holy Eucharist) we are brought into the Body of Christ. We, as members of the Church, are incorporated in Christ, tasked with being His presence in and for the world.

A popular hymn with music by David Ogden immortalized the words of St. Teresa of Avila:  
 Christ has no body now but yours  
 No hands, no feet on earth but yours  
 Yours are the eyes with which He sees  
 Yours are the feet with which He walks  
 Yours are the hands with which He blesses all the world  
 Yours are the hands  
 We, the Church are the Body of Christ in the world.

### **Our Parish Mission Statement**

The Roman Catholic Parish of Immaculate Conception and Assumption of Our Lady is a Eucharistic community: glorifying the Father, united with the Son, led by the Holy Spirit, and protected by Mary. We are called to pray, educate, and serve God’s people in this life and in the hope of eternal life.

### ASK FATHER???

If you have a question about any aspect of our Catholic Church and Faith, just drop us a note or call and we will answer them to the best of our ability.

**481. “How do you consecrate yourself to the Sacred Heart of Jesus”?** The Sacred Heart devotion involves a prayer of consecration, but more importantly, a pledge to live a life of virtue united to Jesus Christ. This devotion is ancient, finding its inspiration in various passages in the Bible. However, a more focused devotion was promoted by St. Margaret Mary Alacoque in the 17th century after her visions of Jesus, including a specific “consecration.” The consecration promoted by St. Margaret Mary was intended to unite the Christian faithful more closely to Jesus, looking to the example of St. John the apostle, who “**reclined upon Jesus’ chest during the supper.**” (John 21:20).

This image of resting upon the Heart of Jesus became a principal motivation behind this devotion, symbolizing a deeper relationship with Jesus. The Directory on Popular Piety explains the spiritual requirements this devotion entails, specifically the act of consecrating oneself to the Heart of Jesus.

Devotion to the Sacred Heart is a wonderful historical expression of the Church’s piety toward Christ, her Spouse and Lord: **it calls for a fundamental attitude of conversion and reparation, of love and gratitude, apostolic commitment and dedication to Christ and his saving work.** To consecrate oneself to Jesus Christ is to pledge your life to Jesus Christ, **making an intentional promise to reform your life and act with love.**

The act of consecration is not meant to be merely an outward event, but a manifestation of a deep interior openness to receive the love of God. St. John Paul II affirmed this essential ingredient to the devotion, highlighting it in his letter *On the 100th Anniversary of the Consecration of the Human Race to the Divine Heart of Jesus.* Every member of the Church is invited to see consecration as **the giving and binding of oneself to Jesus Christ**, the King “of prodigal sons.”, the King of all who are waiting to be led “into the light of God and of his kingdom; ... “From the Heart of Christ, man’s heart learns to know the genuine and unique meaning of his life and of his destiny, to understand the value of an authentically Christian life, to keep himself from certain perversions of the human heart, and to **unite the filial love of God with love of neighbor.**”

For this reason, it is often suggested that Catholics **go to confession** before performing a formal act of consecration, renouncing sin and embracing the new life of virtue. Choosing to consecrate yourself to the Sacred Heart means that you want to be united more intimately to Jesus, not simply to do what other people have done before. There exist several different consecration prayers that put into words your desire to live united to Jesus. **Often this prayer is recited while kneeling before an image or icon of the Sacred Heart**, helping you to visualize what you are about to do.

### Prayer of Consecration Written by St. Margaret Mary Alacoque

I consecrate and surrender to the Sacred Heart of our Lord Jesus Christ, my person, my life, my difficulties and my sufferings, that I may henceforth live only for his love and glory. It is my firm and unwavering purpose to be his entirely, to do everything for his love and renounce wholeheartedly everything that could displease his divine Heart.

O Sacred Heart, I choose You as the sole object of my love, the protector of my life, the pledge of my salvation, the support of my weakness and the atoner for all the sins of my whole life. O mild and bountiful Heart, be likewise my refuge at the hour of death, my justification before God, and ward off from me the penalty of his just wrath. O loving Heart, I place my trust entirely in You. While I fear everything from my own malice, I hope everything from Your goodness. Destroy in me whatever may displease You or be opposed to You, and let Your pure love imprint You so deeply upon my heart that it will be impossible for me ever to forget You or be separated from You.

O Sacred Heart, by Your goodness, I implore You, let my name be deeply engraved in You, for in Your service and in Your love I will live and die.

#### SCLERODERMA SYMPTOMS

**Localized scleroderma** affects the skin and underlying tissues. There are a couple of patterns in how it appears:

Small patches, called morphea that are ½" or larger in diameter

Linear scleroderma:

The scleroderma thickens in a line. Usually this extends down the arm or leg, but has been noted to run down the face or forehead

**Systemic scleroderma** can affect the skin, tissue, blood vessels and major organs. There are two types of systemic scleroderma:

Limited cutaneous scleroderma comes on gradually and usually affects the fingers, hands, face, lower arms, and legs below the knees.

Diffuse cutaneous scleroderma comes on rapidly, starting at the fingers and toes, then extending to the elbows, knees, upper arms, trunk and thighs. This type usually involves internal organ damage.

#### 481. “¿Cómo te consagras al Sagrado Corazón de Jesús”?

La devoción al Sagrado Corazón implica una oración de consagración, pero más importante aún, un compromiso de vivir una vida de virtud unida a Jesucristo. La devoción al Sagrado Corazón de Jesús es antigua y encuentra su inspiración en varios pasajes de la Biblia. Sin embargo, una devoción más enfocada fue promovida por Santa Margarita María Alacoque en el siglo XVII, incluyendo una “consagración” específica. La consagración promovida por Santa Margarita María tenía la intención de unir a los fieles cristianos más estrechamente a Jesús, mirando el ejemplo de San Juan el apóstol, quien “se reclinó sobre el pecho de Jesús durante la cena” (Juan 21:20). Esta imagen de descansar sobre el Corazón de Jesús se convirtió en una motivación principal detrás de esta devoción, simbolizando una relación más profunda con Jesús. El Directorio de Piedad Popular explica los requisitos espirituales que conlleva esta devoción, específicamente el acto de consagrarse al Corazón de Jesús.

La devoción al Sagrado Corazón es una maravillosa expresión histórica de la piedad de la Iglesia hacia Cristo, su Esposo y Señor: exige una actitud fundamental de conversión y reparación, de amor y gratitud, de compromiso apostólico y dedicación a Cristo y a su obra salvífica. Consagrarse a Jesucristo es comprometer la propia vida con Jesucristo, haciendo una promesa intencional de reformar la propia vida y actuar con amor. El acto de consagración no pretende ser un mero acontecimiento exterior, sino una manifestación de una profunda apertura interior para recibir el amor de Dios. San Juan Pablo II afirmó este ingrediente esencial de la devoción, destacándolo en su carta En el centenario de la Consagración del género humano al Divino Corazón de Jesús. Todo miembro de la Iglesia está invitado a ver la consagración como la entrega y el vínculo de uno mismo con Jesucristo, el Rey “de los hijos pródigos”, el Rey de todos los que esperan ser conducidos “a la luz de Dios y de su reino; ... Desde el Corazón de Cristo, el corazón del hombre aprende a conocer el sentido genuino y único de su vida y de su destino, a comprender el valor de una vida auténticamente cristiana, a guardarse de ciertas perversiones del corazón humano y a unir el amor filial de Dios con el amor al prójimo.

Por esta razón, a menudo se sugiere que los católicos se confiesen antes de realizar un acto formal de consagración, renunciando al pecado y abrazando la nueva vida de virtud. Elegir consagrarse al Sagrado Corazón significa que desea unirse a Jesús más íntimamente y no que simplemente realice una devoción piadosa que otras personas han hecho antes. Además de estas recomendaciones más abstractas, existen varias oraciones de consagración diferentes que ponen en palabras su deseo de vivir unido a Jesús. A menudo, esta oración se recita arrodillado ante una imagen o icono del Sagrado Corazón, lo que ayuda a visualizar lo que está a punto de hacer.

Oración de Consagración escrita por Santa Margarita María Alacoque

Consagro y entrego al Sagrado Corazón de nuestro Señor Jesucristo mi persona, mi vida, mis dificultades y mis sufrimientos, para que de ahora en adelante viva solo para su amor y gloria. Es mi firme e inquebrantable propósito ser enteramente suyo, hacer todo por su amor y renunciar de todo corazón a todo lo que pueda desagradar a su divino Corazón.

Oh Sagrado Corazón, te escojo como único objeto de mi amor, protector de mi vida, prenda de mi salvación, apoyo en mi debilidad y expiator de todos los pecados de mi vida. Oh Corazón manso y generoso, sé también mi refugio en la hora de la muerte, mi justificación ante Dios y aleja de mí el castigo de su justa ira. Oh Corazón amoroso, pongo toda mi confianza en Ti. Aunque todo lo temo de mi propia malicia, todo lo espero de tu bondad. Destruye en mí todo lo que te desagrade o te sea contrario, y deja que tu amor puro te grabe tan profundamente en mi corazón que me sea imposible olvidarte o separarme de ti.

Oh Sagrado Corazón, por tu bondad, te imploro que mi nombre quede profundamente grabado en ti, pues en tu servicio y en tu amor viviré y moriré.
