Volunteer Spotlight

On the interior of both the east and west sides of our Church, you will find Shrines adorned with candles. These Shrines feature multiple votive candles, including the prominent seven-day candle, which burns continuously for a full week. Parishioners and visitors light these candles as offerings of prayer, dedications of promises, and expressions of devotion to God, the Virgin Mary, or a saint. This week, we would like to highlight the invaluable contributions of **Doc and Pat Holliday**, who diligently care for the candles in our Shrines. Each week, they ensure that the Shrines are clean, clutter-free, well-maintained, and that extinguished candles are replaced. We are deeply grateful for the care and dedication they invest in this important ministry. Thank you, Doc and Pat, for illuminating our Shrines with your commitment and love. Your efforts are truly appreciated.

HURRICANE PRAYER

Lord Jesus Christ, Who once walked on the waters, Who uttered a word of command to the raging tempest of wind and sea and there came a great calm; please let Your glance fall upon us, Your servants. Please grant that by the power of Your blessing poured out on our Gulf waters, all wicked spirits may be repelled, the danger of the tempestuous winds may subside, and we may be protected from the ravages of storms and hurricanes. BACKGROUND ON THE GOSPEL READING

In today's Gospel we hear Jesus teach about faith and service to God. The context is a continuing dialogue between Jesus and his followers about what it means to be a disciple of Jesus. Jesus has just finished an instruction on sin and forgiveness. There are two related teachings that Jesus offers to his disciples when they cry out for an increase in faith. The first is the familiar reminder that faith, even just a little, will enable the followers of Jesus to do wondrous things. But this uplifting and inspiring teaching is quickly followed by the second teaching, a caution about knowing one's place in God's plans. The disciples of Jesus are to understand themselves as servants to God and his plans. Even when God works wonders through us, with our mustard seed-sized faith, we must not seek praise. Our participation in God's plans is God's grace to us—nothing more, nothing less. When we are graced enough to cooperate with God, the work we do is nothing more than our obligation to God as faithful stewards. And yet, our faith enables us to believe that what we have offered in service to God, as his servants, can be made to produce a hundredfold.

FAMILY CONNECTION

There is much in today's Gospel that resonates in family life. In our daily attempts as parents to live up to the confidence and trust that our children place in us, we come to know the wonders that God can do with just a little faith. In family life we also learn about obligations that are their own rewards. The daily tasks that family members do for one another and for the household are simply the manifestations of our responsibilities to one another.

Take a turn with each member of the family and identify some of the little things that each family member does that make a big difference in your family life.

Read today's Gospel, Luke 17:5-10. Talk about how each person is called upon by God to believe that God can work miracles in our lives, that God can use us to make a difference in our world.

Together as a family, pray Saint Ignatius of Loyola's Prayer of Generosity. Ask that God will work through your family to make a difference in the lives of those around you.
