******GOOD NEWS! YOUTH FAITH FORMATION ******

Cardinal Dolan has created a new department within the Archdiocese, the **Department of Youth Faith Formation**, effective July 1. Both the Catechetical Office and the Office of Youth Ministry will form this new department. Ela Milewska, Executive Director of the Department, and Sister Mary Naccarato, PBVM, *Northern Regional Coordinator,* have met with us to help form a new Youth Ministry Program here at St. Mary's! The first step is to survey the Youth and Adults of St. Mary's to assess our wants and needs. We ask if you would just take a few minutes (literally!) to complete the survey through "survey monkey". Here is the link for the **Adult** survey: https://www.surveymonkey.com/r/StMarysPG. The link for the **Youth** survey is https://www.surveymonkey.com/r/StMaryWFYouth. Several classes of students in the school and Religious Ed Program have already completed their survey which is geared to Grades 5-7. There are also some "hard copies" at the rear exits if you prefer paper. A box will be in the back of church next week for collection. If you have any questions or think you might be interested in being a part of this exciting new venture, **please call Pat at 297-7586. We will *need* many adults if we are to be successful! As always, thanks for your encouragement and support!**

HAVE YOU BEEN ASKED TO BE A BAPTISMAL OR CONFIRMATION SPONSOR?

Congratulations! It is a great honor. But, more than that, it is a serious spiritual and moral responsibility. Canon 872 of the *Code of Canon Law* states: "A sponsor … helps the baptized person to lead a Christian life in keeping with Baptism and to fulfill faithfully the obligations inherent in it." To do this, it is only logical that the sponsor must be faithfully fulling his or her own baptismal obligations. Canon 873 lists these obligations, namely, that the chosen sponsor have already received the sacraments of Eucharist and Confirmation; that he or she not be bound by a canonical penalty; and that he or she be "leading a life of Faith in keeping with the function to be taken on." This lattermost requirement refers to the keeping of the Precepts of the Church which prescribe the bare minimum conditions for determining if one is a "practicing Catholic." The precepts are: to refrain from unnecessary servile work and to be present at Mass on Sundays and Holy Days of Obligation, unless legitimately impeded; to receive absolution in the sacrament of confession, at least, during Easter time if one has committed a mortal sin; to receive Holy Communion while in the state of grace, at least, during Easter time; to abstain from meat and to fast on the days appointed; to contribute to one's parish's financial and material support according to one's means; and to observe the laws of Christ's Church concerning marriage and premarital chastity. These are the objective parameters under which one must decide if one should accept the offer or graciously refuse. However, if you have been asked and are still unsure if it would be spiritually beneficial for you to take on the responsibility as a sponsor, please, speak to a parish priest.

Thank you!

RIGHT TO LIFE: FACTS ABOUT PLANNED PARENTHOOD

Planned Parenthood is a corrupt, criminal enterprise.

Congress itself has investigated this organization and has recently made 15 criminal and regulatory referrals to state Attorneys General and DA's. Prosecutors across the nation continue with their own investigators. Undercover information that Priests for Life has helped obtain and that other groups have likewise found reveal such things as evasion of the laws requiring reporting of statutory rape when minors come to their facilities for abortions, and also the sale of body parts for a profit. And there's much more where that came from. The more we dig, the more we find.

Planned Parenthood is a political machine which

spent $38 million attempt to try to elect Hillary Clinton, and support pro-abortion candidates in many other races as well.

Planned Parenthood is about abortion, not healthcare.

Planned Parenthood is the largest abortion business in the world, killing over 300,000 babies in America (1/3rd of the nation's abortions) each year. They say abortion is only a small part of their business, but that number of lives isn't a small part of anything. Moreover, many of the health care needs that people think Planned Parenthood provides (mammograms, prenatal care, etc.) are simple not available – just call them and see for yourself.

Planned Parenthood does not have a monopoly on women's health care. When defunded, the money currently going to Planned Parenthood, (which received over 350 million dollars in taxpayer dollar in 2009) would be redirected to facilities that are qualified to receive such funds, and that serve women's health without killing babies. Such facilities outnumber Planned Parenthood facilities by 20 to one, and can be found at www.GetYourCare.org. Nobody should believe the lie that women will be stranded without health or that we want to take money away from that. Care

REVIVE WITH US

Through three evenings of song, reflections and sacraments, we will focus on faith beyond Sunday morning The Revive Date will be May 22-24 at Blessed Kateri Church in LaGrangeville
Registration Cards and registration process can be found in the back of the church. If you have any questions you can visit the website – revive@archny.org

Revive is a three-night event coming to the parishes of our archdiocese. Join us to reflect and listen to diverse voices discuss their faith journeys – and go home refreshed and ready to put your faith into action.

At *Revive*, we will explore one of the most fundamental questions most of us have: What are we living for? What is God's purpose for our life?

Often the Church has assumed people will flock to it for answers. But many – for as many reasons as there are members of the Body – are looking for an invitation. *Revive* is an official welcome to accept Jesus' invitation to "come and see."

On nights one and two of *Revive*, we will enjoy music, listen to a special reflection from one of the inspiring priests of our religious orders, and hear from members of our own communities about beating life's challenges through faith and perseverance. You are also invited to participate in the Sacrament of Reconciliation.

On night three, we will celebrate a community mass – and for those in the state of grace with a serious illness who have not been previously anointed, offer the Sacrament of the Anointing (Anointing of the Sick).

Revive offers something to everyone, no matter where you are in your faith journey. In fact, we hope you might take this opportunity to think about those in your life who have become disconnected from the Church and consider inviting them.

Pope Francis has called upon us to open our hearts ever wider to those whose experiences are different from our own. *Revive* challenges us to be living examples of Christian love and hospitality.

REVIVE
NUESTRA FE TODOS LOS DIAS

Revive es un evento de tres noches que viene a las parroquias de nuestra arquidiócesis. Únase con nosotros para reflexionar y escuchar a diversas voces hablar sobre su viaje de fe – y regrese a su hogar renovado/a y listo/a para poner su fe en acción.

En Revive, exploraremos una de las preguntas más fundamentales que la mayoría de nosotros tenemos: ¿Para qué estamos viviendo? ¿Cuál es el propósito que Dios tiene para mi vida?

Muchas veces la Iglesia ha asumido que la gente le traerá sus preguntas. Pero para muchos-por tantas razones como hay miembros del Cuerpo- estamos buscando una invitación. Revive es una bienvenida oficial para aceptar la invitación de Jesus de "venir y ver".

En la primera y segunda noche de Revive disfrutaremos de música, escucharemos una reflexión especial de uno de nuestros sacerdotes de órdenes religiosas, y escucharemos de miembros de nuestras comunidades sobre como sobrellevar los retos con la fe y perseverancia. También está invitado/a a participar en el Sacramento de la Reconciliación.

En la tercera noche, celebraremos una Misa para la comunidad- y para aquellos que tienen la necesidad, el Sacramento de la Unción de los enfermos.

Revive ofrece algo para cada persona, sin importar donde este en su camino de la fe. De hecho, esperamos que usted tome esta oportunidad para pensar sobre aquellos en su vida que se han desconectado de la Iglesia y los invite.

El Papa Francisco nos ha llamado a abrir nuestros corazones mas grandes a quienes han tenido experiencias diferentes a las de nosotros. Revive nos pone el reto de ser ejemplos vivos del amor y la amabilidad Cristiana.
