THANK YOU!

A big thank you to everyone this week. First of all, to all of you who came to our party and enjoyed the good food. We thank you for supporting our wonderful oasis of Lent. Thank you to all the Confirmation students who volunteered and worked serving. They did a fabulous job! Thank you to all the ladies who worked at the door checking in guests and selling raffle tickets. A big thank you to Meg Jackson and Kate Livermore who set up the beautiful dining area. They did a great job and ran the serving. It was truly something. Kate also made the meatballs. They were homemade. Very delicious! Of course, our wonderful cub scouts and parents helped to clean up afterwards. They did a really good job! Finally, to the kitchen crew who were the absolute best! John Livermore who ran the kitchen, donated a tremendous amount of food, and did a great deal of cooking and helping. It was truly wonderful. Mike Vallarella, Tommy Rea, Julian Handschuh, Anghus Park were there all day cooking, cleaning, washing dishes...a tremendous amount of work was done. Finally, great thanks to Michelle Weaver who baked and donated all the desserts. They were all made from scratch. Thank you to everyone. Looking forward to next year. Mark your calendar for March 7th Breaking Bread with Fr. Chris.

THE MASTER'S PLAN PROJECT

The 4th Grade Religious Education Class has learned that everything we are given in life; our money, our talents, our time, our knowledge, etc. was never meant for us to keep. God expects us to share it willingly with others, especially those in need. Each child in the class was given \$10 and asked to use it wisely in the Master's name. Adaline Gagner has completed this project. Adaline and her mom prepared a traditional St. Patrick's Day meal and invited a few family members and friends to join them. Her guests helped her to donate \$50 to St. Jude's. Leah Storm, along with her mom, also had a pasta dinner on St. Patrick's Day. She decided to do pasta because Leah said she doesn't like corn beef and cabbage. Her guests helped her also to donate \$50 to the Leukemia Foundation. May we learn from Adaline and Leah and challenge ourselves to look at the gifts God has given us and use them wisely; so that at the end of our lives on earth God will say to us, "You have been a good and faithful servant. Come, you have inherited eternal life."

This project was done in loving memory of parishioners: Frank Puma, Barbara Sasso, Doris Muskovitch, Phil Gori, George Cox, Lorraine Ferraro, and Rose Riozzi.

As well as, in loving memory of Adaline's Pop Pop, Jeremiah O'Connell and Leah's Great Aunt, Philece Kopercinski.

Father of goodness and love hear our prayers for the sick members of our community and for all who are in need. Amid mental and physical suffering may they find consolation in your healing presence. Show your mercy as you close wounds, cure illness, make broken bodies whole and free downcast spirits. May these special people find lasting health and deliverance and so join us in thanking you for all your gifts. We ask this through the Lord Jesus who healed those who believed. Amen.
