

## *"All Are Welcome"*

June 13, 2023

Dear St. Lawrence School Families,

Last Thursday, we had a special Volunteer Blessing to honor our 2022-2023 volunteers. During Morning Program, these volunteers enjoyed some refreshments and a special blessing from our students, faculty, and staff. Our St. Lawrence School Volunteers give so much of their time and energy to help our school community, and we are so grateful for their kindness and compassion. Thank you to these amazing individuals for all that they have done for us this past year and all that they continue to do for our school!

All preschool students will be bringing home hard copies of their final report cards this week. The K-5 report cards will be sent home next week on June 22<sup>nd</sup> in each child's final take-home envelope on the last day of school. As a reminder, the fourth quarter report card is the only report card that is sent home as a hard copy. Students in grades K-5 who receive Academic Intervention Services (AIS) will also receive a progress report in their take-home envelopes on the last day of school.

Our K-5 students will be participating in Field Day on their last day of school, Thursday, June 22<sup>nd</sup>. During this day, students will take part in various physical education activities outside around the school building, supervised and monitored by our teachers, support staff, and Field Day parent volunteers. More information about Field Day will be sent out to all K-5 families in today's take-home envelope. If you have any questions about Field Day, please feel free to contact the school office or our PE teacher, Ms. Kolb.

Tomorrow, Wednesday, June 14<sup>th</sup> is Alumni Welcome Back Wednesday at St. Lawrence School. All St. Lawrence School Alumni are welcome to join us during Morning Program for a special presentation to honor and celebrate the many alumni who have attending our school. This event will culminate with a tour of our school building for all alumni in attendance. We look forward to seeing many St. Lawrence School alumni at Morning Program tomorrow!

I would like to congratulate all of our preschool students as they complete their final week of the 2022-2023 school year. Our preschoolers have worked so hard, and I am so proud of all that they have accomplished! Thank you to all of our preschool families for your constant and continued support. I look forward to honoring our PreK-4 students at our Preschool Celebration this Friday, June 16<sup>th</sup> as they prepare to move on to kindergarten, and I wish all of our preschool families a restful and enjoyable summer!

As a reminder, there is no school on Monday, June 19<sup>th</sup> for the Juneteenth holiday. I hope you all have a wonderful week and an enjoyable three-day weekend!

God bless,

Frank Arvizzigno  
Principal

## Please Note:

Alumni Welcome Back Wednesday	6/14
<b>Last Day (Preschool)</b>	<b>6/16</b>
PreK-4 Celebration, Deacon Hall, 9 AM	6/16
Lunch Session 4 ends	6/16
<b>Juneteenth--No School</b>	<b>6/19</b>
Kindergarten Celebration, Deacon Hall, 9 AM	6/20

Field Day Information Sheet

## Office Reminders:

We have updated our communication system to give us the ability to send communications via text message to parent cell phones if necessary. While most communications will still be sent out via email through FACTS, please know that it is now possible for us to send text messages as well. If you have any questions, feel free to contact our school office.

**The lunches from Bill Gray's, milk, and ice cream all end this Friday, June 16<sup>th</sup>.** Please remember to send in lunch and drinks for Tuesday and Wednesday next week. We will be providing pizza and chips for Field Day on Thursday, June 22<sup>nd</sup>.

## 1<sup>ST</sup> GRADE TRIP TO GREEN ACRE FARMS

## 4<sup>TH</sup> GRADE TRIP ON COLONIAL BELLE

## VOLUNTEER BLESSING

## **Health Office Updates**

As a reminder, medication should be brought in and handed to the nurse or an adult by a guardian. Please DO NOT send medication with your child for safety reasons. All medications need to have a current signed and dated doctor's order **(it cannot carry over from last year)**. If you wish for your child to have things such as cough drops, antibiotic ointment for scrapes and cuts, Tylenol, and Motrin, please obtain a doctor's order, and we will need parental consent. **Please be sure to pick up your child(ren)s medication from the nurse's office by the end of the school year.**

If your child has an accident and gets sent home with clothes from our office, please wash and return them to us (we are running low on certain items).

We are still monitoring children for COVID-19 symptoms. If your child presents with COVID-like symptoms during the school day, it is recommended that he or she is tested for COVID-19. Tests are available at the school and can be given with parental permission. If your child is home sick, we recommend that you do a home test, and if necessary, follow the guidance of your primary care physician before returning to school symptom-free.

As a reminder, the following symptoms could be associated with COVID infections:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

Please call the main office or nurse's office if your child(ren) will be absent or tardy.

Feel free to reach out to us with any questions or concerns. Please note that Carrie is currently out on maternity leave.

Thank you!
