June 24th marks the one-year anniversary of the Supreme Court's decision in *Dobbs v. Jackson Women's Health Organization*, which overturned *Roe v. Wade*. As we approach this anniversary, we continue to offer thanksgiving to God that states can once again protect the lives of preborn children in law.

"All life has inestimable value even the weakest and most vulnerable, the sick, the old, the unborn, and the poor, are masterpieces of God's creation, made in his own image, destined to live forever, and deserving of the upmost reverence and respect." - Pope Francis

UNITED STATES FLAG

Catholic Life Insurance has provided US flags for you to take home with you this weekend. Flag Day, also called National Flag Day, in the United States, a **day honoring the national flag**, is observed on **June 14**.

It is widely believed that Betsy Ross, who assisted the Revolutionary War effort by repairing uniforms and sewing tents, made the first American flag. However, there is no historical evidence that she contributed to Old Glory's creation. It was not until her grandson William Canby held an 1870 press conference to recount the story that the American public learned of her possible role. It has since been confirmed that **Francis Hopkinson**, a delegate from New Jersey who signed the Declaration of Independence, designed the American flag.
