Happy Easter!

Jesus is Risen! He is the victor over death and will never die again. The last part of that sentence always gives me great hope and encouragement. Jesus will never die again. Three trillion years from now, He will be alive and will never die again. One day we will all be able to say that about ourselves as well. We will never die again. The knowledge that one day after our earthly death, we will gain a new glorified body, which will never die and we will have the opportunity to enter into full communion with the Trinity helps to clarify the purpose of this life.

Here and now we have a chance to practice choosing life or death, good or evil, God or the world, the flesh or the devil. In Jesus we have the power to choose life, goodness, and grace. When we die it is not automatic that we become good people, love God, and forgive others. Our eternal dispositions begin now. Because we know in Jesus that there is a life to come that will never end, it is important to begin to choose that life now. In Jesus we have that power and opportunity.

Life with Jesus is beautiful, gentle and full. Sometimes life is hard, but with Him even the hard and the difficult have a sense of life and hope. Jesus brings life wherever we allow Him to go, and in every place we invite Him to be present. Invite Him into every difficulty and allow the truth to drive out the darkness. If you have suffered with Him on the cross, the grace of resurrection is on its way. Jesus is here to give life even in death.

May the graces of the risen Jesus fill you with hope, healing, mercy, justice, forgiveness, and life. Have a blessed and happy Easter day, week and season.

Welcome
Welcome to any guests that are here with us this weekend. Whether you are back from school, in town to visit family, or are just coming by simply because it is Easter you are welcome. It is good when God's family can come together to celebrate and to be with each other. May we all know the goodness of God making us into one family walking together.

You are in my prayers. Fr. Karl Pung
