Definitions

Fundraising – The solicitation of funds, goods, or other items from parishioners or non-parishioners through event ticket sales, raffles, sales of goods, donations, etc., where there is a reasonable expectation that the event will result in an increase in the amount of money or goods available for use by the Parish or its organizations. Worship related events (missions, retreats, etc.,) which do not charge a participation fee are excluded from this policy, even though a “free will” offering opportunity is made available to the participants.

Parish Approved Organization - Any organization listed on the Parish Commission organization chart. Ad hoc committees or groups created to plan and execute a parish sponsored event (New Year's Eve party, St. Patrick's Day party, etc.) are considered approved organizations for the purpose of this policy.
