FROM MY HEART TO YOURS

Last Sunday after the 10:30 am Mass a few parents brought their college going youth to me to give them a special blessing as they embark on another year's journey in pursuit of knowledge and growth. I was very impressed by the fact that all the youth came up and seriously took part in the blessing ceremony. I will continue praying for all of them, as well as those who were not present. Afterwards, all of them came into the rectory to visit Bonnie and say hello to her. The kids liked her, but she acted a bit socio-phobic, as usual. She is normally comfortable with one or two. However, it was a good start for all of us, as I told the youth, "Don't change, be yourself and come back to church during break time," and they agreed. Next year, on a weekend in mid-August, I am envisioning a special Mass of Blessing for all kids who are starting college, high school and first grade.

Summer vacation time is almost over. I thank God for this good summer during which I could become part of this great parish. With your good will and great sense of hospitality, I had a wonderful summer, which otherwise could have been very stressful and hectic with the pastoral transition. Thank you very much for making my life easy and enjoyable during my first two months.

Religious Education (or Faith Formation) will begin soon and the church will become vibrant and active once again. I wish everyone the best and thank Allanna Hasselgren and her team of teachers as they begin the year-long dedicated services helping our children to 'know, love and make Jesus known.' I encourage all young parents to pray the Rosary with the kids at home every day and bring them to Mass on the weekends. Bless them every day before they go to school and say bed-time prayers with them every night. What makes CCD complete and meaningful are prayer at home and Holy Mass.

The CYO programs will soon kick off as well. What a blessing we receive from our St. Francis Hall! I observed that even during the summer the gym was a very active space. Couple of two-week long basketball coaching for teens, and then adults and youth playing day and night; other parish gatherings and fun times all make me believe that this parish is unique in terms of our vision and mission. The gym offers great opportunity, as I consider it a wide-open door towards the outer world. It's a great tool for 'loving Jesus and making him known' to all sorts of people who walk on our grounds and use the gym. No matter who they are, Jesus is touching them as they spend time in this facility.

St. Patrick's is active and vibrant during all 12 months of the year. I am so very happy to be a part of his community full of life, peace and prayerfulness. I want to thank Mike Corelli, one of our valuable volunteers, for diligently managing the operations of our gym. I also appreciate the parish staff and dozens of volunteers who head the various ministries that make our parish one of the outstanding communities in the neighborhood.

I use this opportunity to invite more of our members to join the outdoor-Stations of the Cross around the Gym, every Friday at 6.15 am; our Welcome Retreats and Walking with Purpose. The contact for all these can be found in the bulletin. Remember, starting your day with Mass in the morning is the most meaningful for any Catholic. I would like to see more members of our parish who are able attend the 8.30 am, Monday to Friday and 9.00 am Saturday Masses. On First Fridays we have Adoration of the Blessed Sacrament following the 8.30 am Mass until Saturday morning at 8.00 am. This will take place in the Fr. John F. Quinn Lady Chapel.

Church is primarily the space that we use to heal, refresh and strengthen our Souls, where God lives within us. Let's focus on it in the forthcoming year!

Stay tuned to the Holy Spirit!
May God bless the whole world!

Fr. T

Fall 2019
BLAZE is coming
to St. Patrick's

Blaze is the Walking with Purpose ministry for 7th and 8th grade girls. It was created to counteract the way our society drives girls to question their identity, worth and beauty. Girls in their tween/teen years are filled with questions. They have doubts, they desire clarification, and they want to share their thoughts in a space that will allow them to make their relationship with God personal and meaningful.

Beginning in Fall 2019, the girls will meet twice per month for a one hour session. As the girls are introduced to the Bible in a relevant and fresh way, they will hear Jesus telling them how loved and beautiful they are!
