Happy Mother's Day

The month of May has traditionally been dedicated to Mary, Mother of Jesus, and gifted to us as our mother also, so today we thank God especially for the blessing of Mary's maternal presence in our lives. Today too, is a blessed opportunity to highlight the beautiful vocation of motherhood and the gift of human life. It calls us to cherish the gift of life that we have received from our loving mothers and to pray for all women to whom God has entrusted life in a very special and beautiful way. As we pray in thanksgiving for the gift of mothers, we remember mothers experiencing difficult pregnancies and pray they may find support and encouragement in choosing life for their children. Mother's Day provides an opportunity to pray for mothers while honoring and seeking the intercession of Our Blessed Mother. In our efforts to celebrate the vocation of motherhood, it is also important to remember that Mother's Day can be a difficult day for many people: married couples struggling with infertility; parents who have lost a child; those who have lost their own mothers; couples longing to welcome a child through adoption; and women and men who are suffering because of their participation in abortion. And so, remembering the complexities of a mother's life, today we thank God for you all, for the ways you have made us the people we are today and we ask God's blessing on you today and always.

Blessing for Mother's Day

Loving God, as a mother gives life and nourishment to her children, so you give life and care for your Church. Bless our mothers, as we celebrate this day in their honor. May they be strengthened as Christian mothers. Let the example of their faith and love shine forth. Grant that we, their sons and daughters, may honor and appreciate them with a spirit of profound respect. May the example of Mary, mother of Jesus, inspire them to live their vocation as Christian mothers and call their children to faith. Guide and protect them in challenging times and help them to continue to trust in you all the days of their life. Grant this through Christ our Lord. Amen.

Thank you to Lupe Sanchez for her service and hard work to St. Joseph's over the last couple of years. We will miss her and wish her all the best in her new job. God Bless.

We want to welcome Nancy Cervantes to St. Joseph's Office staff as the Parish Secretary. We look forward to working with her and know she will do an excellent job.

Thank you to all 192 families that have donated to CSA this year! Please remember you can always donate online by using the QR code on the left.

Eucharistic Prayer #9-The Epiclesis

"Come, Holy Spirit, fill the hearts of Thy faithful and kindle in them the fire of Thy love." Excerpt of the Prayer Veni Sancte Spiritus

The Epiclesis is the term for the invocation of the Holy Spirit to sanctify that which is offered to God. The First Epiclesis over the bread and wine is accompanied by the priest extending his hands over them. This is meant to be a symbol of the Holy Spirit's descent upon the gifts we have brought to the altar, that they may be changed into the body of Christ. However, after the Consecration, there is another Epiclesis as the priest invokes the Holy Spirit to sanctify those who are gathered together around the Altar, so that we who receive the Body of Christ may become the body of Christ.

Where do you see the Holy Spirit working in your life?

How might you listen more attentively to the promptings of the Spirit?

Theresa Martinez will be participating in a Pilgrimage for Vocations the first week in June, sponsored by the Diocese of Santa Fe. She has placed a petition request at the back of the church. Please feel free to fill them out and place in the box provided. They will pray over the petitions as she completes 100 mile pilgrimage.
