Dear Parish Family,

You have waited for weeks and months to see an end to your separation from church and the sacraments, and I will always be grateful for your patience and kindness during this challenging time. But it is a joy to finally be able to share some good news with you!

We will be starting **Phase I** of our reopening the weekend of **June 20th & 21st**, which is Father's Day weekend. You may have heard that some churches are reopening this weekend (June 13 & 14), but there are major tasks which still have to be completed to ensure everyone's safety when we return:

- Registration for Masses must be undertaken, monitored and then managed for each Mass;
- A large cadre of volunteers must be recruited and trained for their on-site coordination and support of attendees at all Masses;
- Our facility is in the last phases of preparation for the re-entry of parishioners into our space.

### **Phase I Sacramental Options**

- A choice of **three weekend Masses** - **5:00 PM** on Saturday, as well as **9:30AM** and **11:30 AM** on Sunday.
- For those unable to attend weekend Mass at the church, Phase I will include the opportunity to receive **Holy Eucharist** at least weekly.
- Also available during Phase I will be the ability to go to **confession** on designated days and times.

*More specific details concerning the "when, where and how" of these sacraments will be communicated via Flocknote next week.*

Our first priority is the health and safety of our community, and we are confident that the plan going forward will achieve that end. May God bless us all, and watch over and guide us as we continue our mission of renewal in Christ!
