Last Saturday was a great day at St. Gregory's - we celebrated two First Holy Communion Masses! The weather was beautiful and the boys and girls were of course excited about the special day! And it is heartening to see our Faith

being passed on to the next generation. God willing, the parents of the boys and girls who received will continue to bring their children to Mass and help them to develop a love of Christ in the Eucharist.

Speaking of the Eucharist, last Friday we had Nocturnal Adoration in the chapel and it worked out well thank God. We began Friday morning at 8:00 am and ended Saturday morning at 8:00 am. We are probably going to do another First Friday, on November 6, but I am not sure if we will do it overnight because it could be a bit colder (because I keep the windows open).

This Tuesday, we begin Religious Ed (CCD) which is fantastic that we will continue to teach the faith to the boys and girls in the parish in spite of the pandemic. It will be a challenge - but St. Gregory's is pretty amazing in pulling together and getting things done!

Month of the Holy Rosary

Dear friends in the Lord:

Pope Francis, in his message for *World Mission Sunday*, implores us, "In this year marked by the suffering and challenges created by the COVID-19 pandemic, the missionary journey of the whole Church continues in light of the words found in the account of the calling of the prophet Isaiah and the theme of this year's World Mission Sunday: **"Here I am, send me"** (6:8). This invitation from God's merciful heart challenges both the Church and humanity, in the current world crisis."

During the Mission Month of October, Pope Francis reminds us that, as Christians, we are called *personally* to mission - especially at this time - to bring Christ's love to those most forgotten around the world. Jesus is God the Father's Missionary; He asks us to respond to this call to mission, this invitation to "step out of ourselves for love of God and neighbor." What will your answer be? **"Here I Am, Send Me"** is the response we will all endeavor to live out this World Mission Sunday, through *prayer, participation in the Eucharist, and generosity to the collection for the Society for the Propagation of the Faith*.

Through the Pope's own missionary society, you too can be sent out to all the ends of the earth - sent through your support of missionaries and those they serve. Your gifts sustain priests, religious sisters, and brothers as well as lay pastoral leaders in more than 1,100 mission dioceses in Asia, Africa, the Pacific Islands, and parts of Latin America and Europe as they proclaim the Gospel, build the Church, and serve the poor. With them, you answer, **"Here I Am, Send Me."**

This year, in response to the challenges to the Mission Church from the pandemic, I invite you to consider a sacrificial gift to the annual *World Mission Sunday collection*. It will be collected on the weekend of October 17-18. Your generous support will enable the Society for the Propagation of the Faith to continue to spread the gospel to the growing faith communities of our day.

With gratitude and prayerful best wishes, I am,

Devotedly yours in Christ,

+ *Timothy Michael Cardinal Dolan*

**Religious Education (CCD)** will resume as scheduled at St. Gregory's. After consulting with the school on their experience with the entrance process for students, we have adjusted our safety plan. Rather than come through the gym, families will drive to the front entrance of the school, the student's will come out of the car and his or her temperature will be taken. Parents will be asked safety questions. If the temperature is good and questions check out - the student will be sent into the school front entrance where he or she will sanitize their hands at one of the two hand sanitizer stations, then students will go directly to their classrooms. Of course students and catechists will be wearing masks. If the student's temperature is over 100 or a safety question is the incorrect answer, the student will return to the car and return home. Temperatures will also be taken of the catechists.

As you probably realize, if a student is sick, he or she should not come to Religious Ed. Snacks and drinks should be consumed before coming into the building; only bottled water will be permitted in the classroom. Furthermore, water fountains will not be available. Fortunately, our class sizes are small enough to allow for social distancing in each classroom. Books will not be stored in the Religious Ed office, but will be taken home and brought back each week. Each classroom will be sanitized with the emist sanitizer at the end of class. If a student feels sick during class, he or she will be sent to the safety room where he or she will wait for his or her parents to come and pick them up. If it was used, the safety room will be sanitized at the end of the night. Dismissal will be staggered by class and occur using the front door.
