## VBS NEEDS YOU! Can you lend a hand?

Are you a little crafty? Our Egypt VBS team would love a little help from any adults and teens who have the time the week of June 2-6 to help us transform our environment into an Egyptian bazaar!

We are crafting a stone archway, a pyramid, a marketplace, and immersing ourselves in a biblical times environment. Materials provided as well as some tools.

Sign up at the QR code either to build during one of our shifts the week before, or to donate one of our wishlist items.

**NEW BIBLE STUDY - Unlocking the Mystery of the Bible**

Wednesday, May 28 | 8 weeks | 7:00 PM | Elmer Hall, Rm 205

Many Catholics want to read the Bible because they know it is God's Word, but they give up because it seems so complicated. Presenter Jeff Cavins shows you how to read the Bible so that you can actually understand it by arranging the key people, places, and events of Scripture in chronological order. Unlocking the Mystery of the Bible will help you discover the story of salvation history and understand how you fit into God's plan. This study is great for ALL levels of experience with the bible, whether you are just starting your journey into Scripture or have been reading the bible for a while.

Cost is \$30.00 for materials. Register with QR code or email conib.longhorn@gmail.com.

## SOLEMNITY OF THE ASCENSION OF THE LORD

As we await Pentecost, the Scriptures this week invite us to ponder these questions: Are we a community who lives the love and unity for which Jesus prayed? Are we courageous witnesses of the risen Jesus and the Holy Spirit? Do we live as people reborn and refreshed by the life-giving waters of baptism? How will our baptism make us people of justice and charity?
