Morsbach Minutes
March 2023

Mrs. Morsbach's 4's Class

Dear Parents,

I can't believe it is March and spring is near! This week we will be celebrating Dr. Seuss' birthday with many fun activities. We also made caterpillars for Lent and by doing acts of kindness during the season, the caterpillars may develop the wings of butterflies for Easter! We will share our good deeds with each other every day.

We will celebrate St. Patrick's Day on Thursday, March 16th. Please have your child wear **GREEN**. We will share some special snacks.

This month we will be focusing on the numbers 14-18. We are using ten frames to help us with counting into the teen numbers. This helps the children visualize that these numbers are made up of a base group of 10 and 1 more for 11, 10 and 2 more for 12, etc. We continue to practice rote counting from 1-20, number recognition, order and formation. Please continue practicing these numbers at home. Your children are doing great and I'm very proud of their progress.

God Bless,
Mrs. Morsbach
