

October 2025

Dear Parents,

Your little are adjusting to their first school experience very well! They are separating from you and they are learning the classroom routine. When it's time for snack they are learning to be patient and wait their turn to wash hands, wait until all our friends are seated at the table and say our blessing. They are learning to clean up after their snack and help put toys away!

During September with their growing independence, the children are learning how to take care of our classroom, share with their new friends and to be safe. Colors have been introduced through play, books and art:

- Stamping
- finger painting
- Coloring

October, we will continue to work on our colors, sing, read, play and attempt to create Fall and Halloween processed art projects.

Important dates:

Tuesday, October 28th – Scarecrow Walk, this will be our rendition of a Halloween Parade. Please dress your child in something that a Scarecrow would wear (no Halloween costumes) such as: plaid shirt, denim pants/skirt/overalls, straw hat. We will walk our Scarecrows up and down the Early Ed hallway visiting the other classes. Pictures will be taken to share with all of you.

Elliot October 29th
