DID YOU KNOW... Parish Men's Club!

PARISH MEN'S CLUB is an organization devoted to assisting the parish and its members with their needs. They aim to bring parish members together and foster a sense of camaraderie and hospitality that extends outside the church and school and into the community in which we live and pray. Membership is open to **any men of the parish over the age of 18**. Regular meetings are held on the fourth Monday of each month at 7:30pm. All are welcome!

The Prayer Before Mass

Come Holy Spirit, quiet my heart and my head, as I gather with my family, friends and neighbors to celebrate Mass.

Quiet the thoughts and distractions that will keep me from worship.

Open my mouth in prayer and song.

Open my ears to hear God's Word.

Open my eyes to the mystery of the Eucharist.

Open my heart to receive Jesus with love.

May I go forth strengthened to take the Mass into my life this week. Amen.

Disciples...Growing in Faith Together

Expecting a new baby?

You are invited to receive a special pre-natal blessing from Father Dan. A white rose dedicated to you will be placed by the statue of Mary as a symbol that the entire parish is praying for you and your baby. The blessings are given at 6pm on the first Monday of every month. Following the blessing there is a Baptismal Preparation Class to help you prepare for this important day in your child's life. Call the Parish Office to register.

"Fully Alive as Missionary Disciples"

"Where jealousy and selfish ambition exist, there is disorder and every foul practice." (James 3:16) In the Gospel, the disciples are acting very ... well ... human. They bicker about who is the greatest among them. While this is not a very polite behavior, it is a human tendency. Jesus teaches them that in order to be greater they have to allow themselves to be less. Often being a good steward means doing your very best without public acknowledgement, promotions, etc. Often it means humbling yourself and doing work that points to the greatness in others. While the word "servant" does not always appeal to us, it is a fitting description of Jesus. If we are seeking a life of holiness, we remember Jesus' words: **"If anyone wishes to be first, he shall be the last of all and the servant of all."**

Fundraising Appeal

A Solid Start!

Our Love for God appeal is off to a great start! Thanks to our lead gift and to the generosity of our parish leaders who have already committed, our campaign total is \$7,166,600.

This is a solid

foundation on which to begin but we need your support in order for this vision to become a reality. Please take some time to prayerfully consider what you can give before you meet with one of our appeal volunteers.

Thank you for your support!

A Message From Bishop Kemme

"On **Sunday, October 7th, at 3pm**, I invite the faithful to gather in their parish church or in chapels wherever the Blessed Sacrament is reserved to pray together five decades of the Holy Rosary as our country participates in Rosary Coast to Coast. I do not anticipate that this will take place in the High Schools, however, but in all our parish churches, our hospital chapels and chapels of our various religious communities. I am hoping that either you or whoever you delegate will lead the Rosary at that very hour.

May we turn to the powerful intercession of the Blessed Mother to heal our country and return it to holiness."

The Diocese of Wichita has had policies regarding protection of youth for over 15 years. Therese Seiler, vice chancellor and victim assistance coordinator for the diocese, said Bishop Carl A Kemme has a diverse group of individuals, a Review Board, who act in an advisory capacity regarding allegations of child sexual abuse by Church personnel as well as assisting with review of policies and procedures with a focus on safeguarding youth. In addition, to Seiler and Bishop Kemme, members of the review board are Fr. David Lies, the diocesan vicar general, a pastor, a judge, a representative of law enforcement, a clinical psychologist, a physician, and a social worker. *"It is a good breadth of people and experience to assist the bishop as we move forward to create safe environments for youth,"* Seiler said last week. Although the board meets quarterly to review policies and procedures, she said, a special meeting will be called if necessary to address a complaint of child sexual abuse when abuse by diocesan personnel is alleged. The diocese, of course, follows the mandatory reporting laws of the State of Kansas, she said. *"Those state that if someone has reason to believe that a child has been abused, they do have to report that...to law enforcement or the Kansas Department of Children and Families."* Mandatory reporters include employees of Diocesan Catholic schools, counselors, doctors, and nurses. The diocese also has a separate reporting policy. *"If there is an allegation of sexual abuse of a minor child, under 18, by Church personnel, it should first be reported to law enforcement or the Kansas Department of Children and Families...it would then need to be reported to the Victim Assistance Coordinator for the diocese,"* Seiler said. If she receives an allegation, she reaches out to the victim's family for additional information, encourages them to report the matter to authorities, and lets them know she may also report the matter. *"It would then go before the Charter Review Board for discussion,"* Seiler said. *"Names are not discussed, only the situations that have been brought forward."* Bishop Kemme published a letter in the Sept. 7 edition of the Catholic Advance, that is also at CatholicDioceseOfWichita.org, reflecting the sexual abuse crisis in the church. *"I feel compelled to respond in a way that will bring forth for all entrusted with leadership in our wounded Church the graces we bishops need to restore the trust of our good people,"* he wrote. The abuse has scandalized many in the church and must end, he said. *"We have and must continue to develop clear, transparent and effective policies and procedures to address this crisis; we must rely on prayer; intense and frequent prayer,"* Bishop Kemme said. *"Prayer coupled with fasting will drive this demon out and restore the peace that we so long for in our church. We who allowed this demon to wreck havoc in our hearts, the bishops, must also do penance and make reparation."* Bishop Kemme said he will be fasting and praying on the first Friday of the month and spend his holy hour on that day *"in reparation for my sins and in particular for the sins and crimes of bishops, priests and religious who have abused minors and young adults in any way."* He welcomed anyone else, especially priests and religious, to adopt the practice to combat *"this powerful and destructive demon of our times."*
