The Prayer Before Mass

Come Holy Spirit, quiet my heart and my head, as I gather with my family, friends and neighbors to celebrate Mass.

Quiet the thoughts and distractions that will keep me from worship.

Open my mouth in prayer and song.

Open my ears to hear God's Word.

Open my eyes to the mystery of the Eucharist.

Open my heart to receive Jesus with love.

May I go forth strengthened to take the Mass into my life this week. Amen.

Disciples...Growing in Faith Together

Expecting a new baby?

The blessings are normally given at 6pm on the first Monday of every month. Following the blessing there is a Baptismal Preparation Class to help you prepare for this important day in your child's life. Call the Parish Office to register.

"Fully Alive as Missionary Disciples"

Take hope in this phrase: "The Spirit comes to the aid of our weakness." (Rom 8:26) While we may not like it much, sometimes our discipleship causes us to reflect on our own weakness. We have to set aside our pridefulness and admit that without God we are nothing. This is why God sent the Holy Spirit to accompany us on the journey. Through the Holy Spirit, we each have very specific gifts, but we don't have ALL the gifts. The Holy Spirit, then, aids us in our areas of weakness. It is just as important, then, to be as aware of our weaknesses as we are of our gifts. Don't shy away from those things that cause you anxiety! Instead, ask the Holy Spirit to come to your aid, and to provide guidance and consolation as you step out of your "comfort zone" and grow in your discipleship! Come, Holy Spirit, Come!

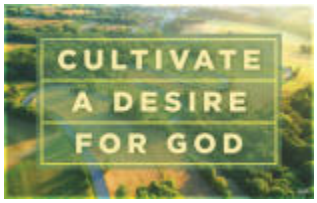
Gospel Meditation

Grace and sin, belief and unbelief, good and evil all exist together. While we wrestle with these two dimensions of reality inwardly, they are also witnessed in the actions and words of others. Many, all too often, beat themselves up because of their sin. We are also all too quick to pass judgment on others whom we perceive to be in error and walking down a wrong path. God does not make rash judgments, nor should we. Patience is the order of the day as is an understanding that God is ultimately the caller of the shots.

Our faith tells us that while God allows the wheat and the weeds to coexist, the wheat will always triumph. As long as we can cultivate even a little faith and a small measure of desire for God, He can produce abundant blessings and good things. Even when the weeds seem to have triumphed, there still may be a small measure of faith remaining that can be cultivated and grown. It doesn't take much! Unless a person totally allows the weeds to reign, there is always to be found at least a small measure of faith, good, light, and love. With even this small portion, God can produce abundant growth.



Admittedly, it is easy to give into the weeds, and they grow very quickly. Any gardener knows this to be true. Sometimes, the weeds even seem more attractive and vibrant. Dealing with weeds can quickly become a losing battle, and they can look healthier and grow faster than the very plants we are trying to protect. It's easy to give into them and let them win. While God will deal with all things in due time, we are responsible for keeping things in check in the short term. It is our task to keep our eyes fixed on God's presence and mercy. We are asked to avoid judgment. And, it is not our responsibility to deal with the weeds in someone else's garden, only our own. One garden is enough responsibility for anyone.

Weeds have power. We have to realize this. While they can appear attractive and healthy, they can quickly choke us off from God's presence. Our task is one of maintenance and cultivating a desire for God. Even the smallest kernel of faith can grow into something wonderful. In God's time, the eternal harvest will come, and we will no longer have to worry about the weeds.
