## Important Safety Update

As the winter months approach, we continue to follow the guidelines outlined by the Archdiocese in an attempt to keep our parish community safe from COVID.

Pews will continue to be distanced. However, we have added a 'family section' on both sides of the church. This consists of two open pews, not distanced. We ask that you save these pews so larger families may sit together.

Masks are required. They are required on all parish property.

Finally, you are to accept Communion by hand and not by mouth. Hand sanitizers have been relocated to the front aisles for your use before receiving if you chose.

As always, the health and safety of our parishioners is of our utmost importance. We pray for the end of this pandemic and for all those that are sick.

**Thank you for your cooperation.**

### **IMPORTANT - PLEASE NOTE**

It is imperative that **NO** events by any ministry be planned until cleared with the office first. Parish Council needs to approve the event before it takes place.

Guidelines from the Archdiocese will be followed.

***Thank You.***
