## WELCOME TO THE PARISH OF ST. JAMES THE APOSTLE AND OUR LADY OF THE LAKE/MT. CARMEL

Thank you for joining in our Eucharistic celebration. If you are a visitor, we welcome you and are glad that you are with us today. We hope that you will find nourishment for your faith and life here. If you have recently moved into our Parish, please come to the Parish Office at St. James to register and introduce yourself to the priests and staff.

**Pride** - A feeling of deep pleasure or satisfaction derived from one's own achievements, the achievements of those with whom one is closely associated, or from qualities or possessions that are widely admired.

I sign all of my correspondences, “**Proud Principal.**” It is a simple signature, but one that has deep, sincere and sentimental meaning to me.

I am proud of so many, however, as an educator for more than 30 years, I think I am most proud when our students, these beautiful young Catholic children, take the knowledge that they have acquired, and utilize it for the greater human good.

For example, many years ago, one of my second-grade students, **Isabella Grana**, collected and donated all of her birthday money so that she could send it to the children in our sister parish in Nicaragua. Fr. Aurelian O'Dowd used this money to purchase math textbooks for his school and had an inscription in each saying, “These textbooks were lovingly donated by Miss Isabella Grana from St. James the Apostle School.” Every year, for as many years as I can remember, Isabella sent money to the children in Nicaragua. She made a connection and a difference.

**Alexandra Clarke**, at the tender age of 7, became an entrepreneur, making and selling horse and pony treats to benefit equine charities which provide assisted activities and therapies for individuals with special needs, at-risk youth, veterans and active service members. Alexandra is entering our 4<sup>th</sup> grade class this year and her business, **Little Pony Treats**, continues to thrive!

One of our newest students, **Lucy Poniatowski** has become the proud proprietor of a charitable Cotton Candy business. Lucy's 501-C-3 nonprofit organization, **Sweetest Little Charity**, has already begun its charitable giving. After commissioning several of her classmates to serve as volunteers, Lucy and her crew sold cotton candy at our Spring Craft Fair event and then wrote a check to St. James the Apostle School in the amount of \$200. Lucy plans to continue to raise and donate money to other organizations that serve children in need.

Most recently, the Long Family shared with us, a heart-warming story of their “Faith in Action.” I am so proud of our students, **Avery (2<sup>nd</sup> grade) and Riley (1<sup>st</sup> grade)**, and their parents Joseph and Julia, for recognizing a need and doing something about it! As Christians, this is what we are called to do! As a teacher, I used to have my students research “Real Life Religion in Action”. They would report on stories from the headlines that demonstrated every day people putting the needs of others before their own. True love of neighbor, as God intends. Now, my students ARE those stories! Please flip to our school page to read more about this incredible experience that will impact these boys and so many others for years to come.

These are just a few examples of how our school and our students live their faith every day. A friendly smile, a helping hand, an open heart, we are called to service and to respect all human life and we ARE making a difference in the world.

**Is there any wonder why I am, “Maura Crawford, Proud Principal?”**

**James 2:17** *So too, faith by itself, if it does not result in action, is dead. In the same way, faith by itself, if it is not accompanied by action, is dead. So, you see, faith by itself isn't enough. Unless it produces good deeds, it is dead and useless.*

## ST. JAMES THE APOSTLE SCHOOL STUDENTS AVERY AND RILEY LONG A VACATION EXPERIENCE OF A LIFETIME

Last year after visiting the island of St. Kitts and seeing the children playing cricket, drawing with sticks in the dirt and trying to play baseball with sticks and fallen mangoes, the Long family decided on their next visit they would do a couple of days of service. Planning began! Mr. and Mrs. Long reached out to a couple of contacts they had on the island and were welcomed to join during the summer months when there isn't much going on. Avery and Riley's baseball team along with friends and family contributed tons of arts and craft supplies, baseball gear, other necessities such as socks, underwear and toiletries for the children at St. Christopher Children's Home in St. Kitts. Fast forward to the Summer of 2022.

Upon arrival, Avery and Riley helped carry eight large suitcases to the island filled with donations. Sadly, the children of St. Christopher Children's Home come from devastating situations, placed at the home after court rulings or just taken away from their families. The Long family learned so much after spending days with them. These children are their own small family, supporting one another. School supplies were greatly appreciated. The boys had a wonderful time playing baseball, doing arts and crafts, but mostly becoming friends with the children of St. Christopher Children's Home. Avery and Riley, along with their parents, will continue their relationship with the children's home and visit again in a year or two. The Long family is not sure where this journey will take them but we are certain Avery and Riley will take this experience and continue to help others in the future.

## Notices and Events

### RCIA/RCIT (Rite of Christian Initiation for Adults/Teens)

"The Church is a house with a hundred gates; and no two people enter at exactly the same angle." So said GK Chesterton, a famous convert to the Catholic Church of the last century.

The Saint James RCIA and RCIT Program has prepared men and women, young and very old, from every religious background to take the step of faith and enter through the gate God has opened for them. Whether one is seeking to enter the Church from another Christian, or non-Christian religion, or no religion at all, the RCIA and RCIT Program will give you the knowledge and formation you need to understand the truths and awesome beauty of the Catholic Church and help you live a rich, Catholic life. Or if you are a baptized Catholic and are ready to complete the Sacraments of Initiation (Baptism, Communion, Confirmation) to be in full communion with the Catholic Church this Program is for you.
