When people go from being part of a couple to being alone, the pain they experience, and the difficulties they face in navigating this new reality, are common to the widowed, divorced and separated.

**HURRICANE RELIEF** — We stand in solidarity  
with our suffering neighbors.

Cardinal Dolan has asked for prayers and support for our brothers and sisters in Florida and throughout the southeastern part of the United States.

As you have seen in the news, Hurricane Helene has created devastation in that part of our country. The rain and flooding have been unrelenting. Many have already died as some communities struggle to get basic supplies. It is the third deadliest storm of the 21st century, after Katria in 2005 and Maria in 2017.

As we often do in these situations, we instinctively want to be involved in the long-term recovery. The Cardinal knows the generosity of our people and their deep care for those in distress. Catholic Charities USA is the official domestic disaster relief agency of the Catholic Church in the United States.

**We are taking up an emergency collection. Please drop an envelope in the collection or in the drop-box by the Parish Office. Write “Hurricane Relief” on the envelope. Checks may be made out to “St. James the Apostle Church.” Write “Hurricane ” in the memo line.** We would be pleased to receive this by the end of October, if possible.

Given the urgency, the archdiocese will supplement what comes in so that those most in need can receive assistance quickly. The money will come from the archdiocese’s charity emergency funds financed by a left-over balance from previous collections in parishes.

God bless you for your participation.

# WHY CATHOLICS SHOULD VOTE NO TO THE ERA

On November 5th, New Yorkers will vote on the “**Equal Rights Amendment**,” or “**Proposition One**,” a vaguely worded, unnecessary, and dangerous state constitutional amendment that would result in serious negative consequences by expanding “equal protection under the law” to include, among other things: age, sexual orientation, gender identity, gender expression, and reproductive healthcare.

## What does the ERA say?

*\*Proposed changes to the constitution in **BOLD**\**

“No person shall be denied the equal protection of the laws of this state or any subdivision thereof.

No person shall, because of race, color,

ETHNICITY, NATIONAL ORIGIN, **AGE**,

**2** **DISABILITY**, creed [or], religion, **OR**

**SEX, INCLUDING SEXUAL ORIENTATION, GENDER IDENTITY, GENDER EXPRESSION,**

**1** **PREGNANCY, PREGNANCY OUTCOMES, AND REPRODUCTIVE HEALTHCARE AND AUTONOMY,**

be subjected to any discrimination...”

## What would the ERA do?

### 1. Enshrine abortion up until birth in the New York State Constitution.

Abortion limitations to protect women and children would become impossible to pass. Conscience protections of health care professionals and individuals would also be threatened.

### 2. Allow children to make life-altering medical decisions without parental consent.

Children experiencing gender confusion would be able to seek gender reassignment therapies and surgeries without parental consent or knowledge.

### 3. Loosen age-appropriate restrictions.

Common sense age-restrictions on “sexual freedom” and the potential “right to die” would be endangered.

## What can you do?
