**ALL SOULS DAY – SPECIAL MASS FOR THOSE WHO
DIED OVER THE PAST YEAR**

**On Saturday, November 2nd, All Souls Day,
the 12 noon Mass will be offered for all those
of the parish who have died over the past year.**

Family members of the recent deceased are invited to write a letter to the deceased loved one and bring that letter to the Mass. In the midst of death, so much goes unsaid. Perhaps this will become an opportunity for many to find true inner peace.

At the conclusion of the Mass, the letters will be burned in a special fire to be kindled in front of the church. As the smoke rises to heaven, we will abide in the blessed hope that all our beloved dead are with the Lord.

If you lost a loved one and that person was not buried from St. James the Apostle / Our Lady of the Lake, you are most welcome to call the Parish Office and have that person added to our list. Their names will be read out during the Mass. All are welcome.

ALL SOULS NOVENA

During the beginning of November, commencing on November 2nd (All Soul's Day), Masses will be offered for the repose of the souls of our dearly departed relatives and friends.

To include your loved ones in this novena, please fill out the envelopes available in the church lobbies. They can be dropped in a collection box or at the Parish Office.

PLEASE VOTE "NO" TO THIS PROPOSITION!

The "Equal Rights Amendment" to the New York State Constitution is worded on the ballot such that a "yes" vote is a vote to enact the constitutional change. Please note that the ballot title is as follows: This proposal would protect against unequal treatment based on ethnicity, national origin, age, disability, and sex, including sexual orientation, gender identity and pregnancy. It also protects against unequal treatment based on reproductive healthcare and autonomy. A "YES" vote puts these protections in the New York State Constitution.

**A "NO" vote leaves these protections out of the
State Constitution.**

HURRICANE RELIEF — We stand in solidarity with our suffering neighbors. Cardinal Dolan has asked for prayers and support for our brothers and sisters in Florida and throughout the southeastern part of the United States.

As we often do in these situations, we instinctively want to be involved in the long-term recovery. The Cardinal knows the generosity of our people and their deep care for those in distress. Catholic Charities USA is the official domestic disaster relief agency of the Catholic Church in the United States.

We are taking up an emergency collection. Please drop an envelope in the collection or in the drop-box by the Parish Office. Write "Hurricane Relief" on the envelope. Checks may be made out to "St. James the Apostle Church." Write "Hurricane" in the memo line. We would be pleased to receive your donation by October, 27th if possible.

Given the urgency, the archdiocese will supplement what comes in so that those most in need can receive assistance quickly. The money will come from the archdiocese's charity emergency funds financed by a left-over balance from previous collections in parishes. God bless you for your participation.

The Beginning Experience® Ministry is a peer led ministry that serves those grieving the end of a marriage or spousal relationship due to death, divorce, or separation.

This fall, we invite men and women of all ages and faiths to attend our upcoming program:
In the Beginning...Coping with Life Alone.

**This is a one day remote via Zoom program
which will be held on Saturday,
November 2nd, from 9AM to 4PM.**

For information or to join please **call Jim at
845-220-7883 or Denise at 845-325-3147.**

Our mission is to serve those who have lost a spousal relationship due to death, divorce, or separation. Our programs shepherd people through the emotional devastation that remains after this special relationship ends. When people go from being part of a couple to being alone, the pain they experience, and the difficulties they face in navigating this new reality, are common to the widowed, divorced and separated.

TELL ME MORE ABOUT

WHY CATHOLICS SHOULD

VOTE NO TO THE ERA

1 NEW YORK ALREADY HAS TOO MUCH ABORTION.

New York currently has one of the most extreme abortion laws in the world, permitting abortions up to birth, allowing non-physicians to perform abortions, and excluding parents from the decision-making process. By making “reproductive healthcare” a constitutional right, it would be impossible to pass even the most limited restrictions to protect women and children, and would further threaten the conscience rights of health professionals and institutions that refuse to take unborn life by abortion.

2 CHILDREN SHOULDN'T MAKE LIFE-ALTERING MEDICAL DECISIONS WITHOUT PARENTAL CONSENT.

Confusion about gender has become an epidemic among young people. But gender reassignment therapies and surgeries have serious life-long consequences, and their safety and benefit are increasingly questioned, even by secular researchers. “Gender-affirming care” is based in ideologies that do not recognize the true nature of human sexuality and often these ‘treatments’ fail to adequately address underlying mental health struggles. This amendment would permit troubled children to seek these dangerous procedures without parental consent or even knowledge, excluding from the conversation those who know them best and desire their true good.

3 AGE RESTRICTIONS MAKE A LOT OF SENSE.

Laws “discriminate” based on age all the time. For the protection of vulnerable youth, we set minimum ages to drive, smoke, drink, or consent to sexual activity. To prevent elder abuse, we provide special privileges and protections to those over 65. This so-called new constitutional “protection” would make it much easier for activists to overturn these common-sense safeguards. Age restrictions that relate to “sexual freedom” or “the right to die” are those that would be most likely to be challenged. Some countries already permit children as young as 12 to consent to assisted suicide or euthanasia, which could soon be legalized in New York. We want to ensure that appropriate protections remain in place for vulnerable age groups.
