October—The Month of the Holy Rosary

This entire month of October is dedicated to the Holy Rosary. The feast of the Rosary is held on October 7th in memory of the glorious and triumphant victory at the battle of Lepanto in 1571. Pope St. Pius V believed that the naval victory proved without a doubt the great power of the Rosary.

October is a good time to commit to praying the Rosary every day. The Rosary will bring great peace and holiness to your life. It is a powerful instrument for conversion. Without doubt, the Rosary is the best method of honoring Mary and obtaining her powerful intercession.

*"The Rosary is the 'weapon' for these times."
Saint Padre Pio*

A Prayer for Life to Jesus in the Blessed Sacrament

O Jesus, you came that we might have life—and have it in abundance. Together with the Father and the Holy Spirit, you form us in our mothers' wombs and call us to love you for all eternity.

As your most precious gift of human life is attacked, draw us ever closer to your Real Presence in the Eucharist. Dispel the darkness of the culture of death, for you are the light that shines in the darkness, and the darkness cannot overcome it.

By the power of your Eucharistic Presence, help us to defend the life of every human person at every stage. Transform our hearts to protect and cherish all whose lives are most vulnerable.

For you are God, forever and ever. Amen.

October is Respect Life Month in the USA

The Rosary's meditations on the life of Our Lord from conception through His Passion to heavenly glory reminds us of the beauty of human life and the need to protect and nourish all human life from the point of conception to natural death. Consider what you can do to promote the Culture of Life.
