WELCOME TO THE PARISH OF ST. JAMES THE APOSTLE

AND OUR LADY OF THE LAKE/MT. CARMEL

Thank you for joining in our Eucharistic celebration. If you are a visitor, we welcome you and are glad that you are with us today. We hope that you will find nourishment for your faith and life here. If you have recently moved into our Parish, please come to the Parish Office at St. James to register and introduce yourself to the priests and staff.

A Prayer for Deceased Father and Mother

O God, Who has commanded us to honor our father and mother, have compassion in Thy mercy, on the souls of my father and mother; forgive them their sins, and grant that I may see them in the joy of eternal brightness. Through Christ our Lord. Amen.

FIRST FRIDAY ADORATION – A PROPOSAL FOR THE NEW YEAR

Considering the National Eucharistic Revival, we would like to extend First Friday adoration *from* the current schedule of 4:30pm-5:30pm **to** 12:00pm (noon) to 9:00pm. To do this we will need to guarantee that at least one person will be present at any time during these hours. If you support this idea and are interested in participating, please contact Fr. Quarato at the Parish Office., Ext. 106.

MONSTRANCE VS TABERNACLE

The Lord is truly present in each, but consider how they differ:

MONSTRANCE, also called ostensorium is a vessel in which the Eucharistic Host is carried in processions and is exposed during certain devotional ceremonies. Both names are derived from Latin words (*monstrare* and *ostendere*) that mean “to show.”

—First used in France and Germany in the 14th century, when popular devotion to the Blessed Sacrament developed, monstrances were modeled after pyxes or reliquaries, sacred vessels for transporting the Host or relics.

—The Host was shown in a glass cylinder mounted on a base and surmounted by some sort of metal crown. In the 16th century the monstrance took its present shape: a circular pane of glass set in a cross or surrounded with metal rays.

—The Host is placed in a holder called a lunette, which fits into an opening behind the glass.

TABERNACLE is a liturgical furnishing used to house the Eucharist outside of Mass. This provides a location where the Eucharist can be kept for the adoration of the faithful and for later use (e.g., distribution to the sick). A special Sanctuary Lamp is kept burning near it.

—It prevents the profanation of the Eucharist. Canon Law requires, “The tabernacle in which the Eucharist is regularly reserved is to be immovable, made of solid or opaque material, and locked so that the danger of profanation may be entirely avoided” (CIC 938 §3).

—The word tabernacle means “dwelling place.” Any place someone dwells is a tabernacle. The term is also sometimes used for a temporary dwelling place. Thus, the tent-like sanctuary that the Jews used before the Temple was built was called the Tabernacle, because God dwelt there. Similarly, for the feast of Sukkot the Hebrews erected temporary shelters to live in for the festival, which is often called “the feast of tabernacles” or “the feast of booths” as a result.

—The tabernacle in Church is so named because it is a place where Christ dwells in the Eucharist.

The Widow's Offering

Jesus said, "Watch out for the teachers of the law. They like to walk around in flowing robes and be greeted in the marketplaces, and have the most important seats in the synagogues and the places of honor at banquets. They devour widows' houses and for a show make lengthy prayers. Such men will be punished most severely."
