**"Love Beyond Measure":
Celebrate NFP Awareness Week
July 21-27**

[Natural Family Planning](#) (NFP) refers to fertility-awareness-based methods of regulating conception. Based on scientific research, NFP is consistent with Catholic teaching and creates opportunities for married couples to take time together to understand, recognize and talk about the natural and biological signs of fertility and infertility.

[Natural Family Planning Awareness Week](#), with the theme this year of "Love Beyond Measure" celebrates fertility-based awareness methods and the [marriage-strengthening benefits](#) they offer for couples.

The dates of Natural Family Planning Awareness Week highlight the anniversary of Pope Paul VI's 1968 encyclical [Humanae Vitae](#) which articulates Catholic beliefs about human sexuality, conjugal love and responsible parenthood. July 25 and 26 which fall during NFP Awareness Week, mark the feast of Saints Joachim and Anne, the parents of the Blessed Mother.

We invite you to watch [a video message from Bishop Robert Barron](#), Chairman of the bishops' Committee for Laity, Marriage, Family Life and Youth: <https://www.youtube.com/watch?v=PltD3qXD50A>

The St. James Respect Life Group was formed to help parishioners understand, and value a culture that cherishes every human life from conception to natural death.

If you would like to join us, we meet on the 2nd Friday of the month in Doherty Hall at 12:15pm. **Email Cory Griffin at CAG114LIFE@gmail.com for more details.**

**Please Do Not Forget Our Parish
During the Summer!**

Your weekly offerings help us to pay the AC bills and to keep things going. Offering envelopes can be mailed or dropped off at the Parish Office at any time. *Thank you for your generous support! Have a Blessed Summer!*

**DO NOT TAKE A VACATION FROM GOD!
REMEMBER SUNDAY MASS!**

Those lazy, hazy days of summer are upon us. Time to relax and have a bit of family fun! However, for Catholics every Sunday (or Saturday evening) we have an obligation to assist at Holy Mass. Please remember to attend Mass even when away from our beloved Parish. If you travel this summer, there will surely be a Catholic Church nearby (by church law you are required to attend Mass as long as a church is within an hour distance.) Enjoy meeting Christians in different places and seeing their parish churches. Consider bringing us a bulletin from the parish you visit this summer. We enjoy reading about what other faith communities are doing. Maybe we can learn something from our brothers and sisters in other Catholic parishes. Weekly participation in Holy Mass will reap an everlasting reward! *Our Lady of Mt. Carmel and St. James, guide our families to stay close to Jesus and His Church during this period of summer vacation.*

A Traveler's Prayer

O Almighty and merciful God, who hast commissioned Thy angels to guide and protect us, command them to be our assiduous companions from our setting out until our return; to clothe us with their invisible protection; to keep from us all danger of collision, of fire, of explosion, of fall and bruises, and finally, having preserved us from all evil, and especially from sin, to guide us to our heavenly home. Through Jesus Christ, our Lord. Amen.

GOING ALL IN

Have you ever been at a totally decisive moment in your life when you made a decision that you were going to chance everything, put all your chips in the pot, go for broke, and commit 100% to something? Career, marriage, investments, educational choices all call us to that type of "all in" commitment.

So isn't our decision about Jesus and the Church he established on this earth. There can be no holding back, hedging our bets, "waiting to see". He makes a total claim of love upon us, and proved it in the most dramatic way possible. He proved he is the Lord of the universe and our Lord. If he is not the Lord of all, he's not Lord at all. It's all or nothing. It's now or never. We can't undo the past, we aren't promised tomorrow, and only have the present moment to make decisive choices with eternal consequences.

Isn't it time for you to ante up and go all in? You may never have been baptized. Or, you may never have received the awesome gifts of grace Jesus wants for you in the Eucharist and confirmation. Or, you need to look and see a bit before making the commitment of your life to the one who loves you. If that is you, then the OCIA and OCIT program will equip you with what you need. Come and find out.

Contact Deacon Art Weiner (OCIA adult program) at 845-803-3699 or Karen Mahon (OCIT teen program) at 845-225-1835.

NATURAL FAMILY PLANNING AND YOU!

The precious gift of fertility is a beautiful participation in the creative Spirit of God as He calls into existence a new person. Of all the various profound forms of human relationship, marriage, or Holy Matrimony, was willed by God as a blessing from the beginning of creation (Gen 2:18–25; Mt 19: 1–6). God did not want the man to be alone. God made a suitable partner for him—the woman. Together, they form the one-flesh union of marriage which has the potential to give life and create a family. God intended marital love to accept and nurture the power of life. The nature of marriage calls spouses to a sacred stewardship over the twofold gifts of love and life. Within this vocation, a husband and wife celebrate their human sexuality in all its fullness. Their conjugal union is “meant to express the full meaning of love,” as willed by God, “its power to bind a couple together and its openness to new life” (USCCB, Married Love and the Gift of Life, 4).

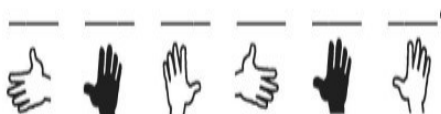

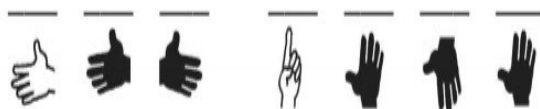

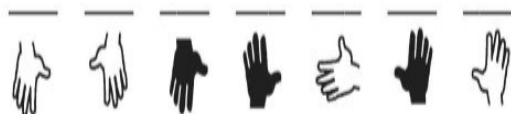

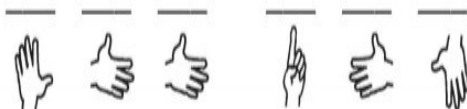

In marriage, serious reasons may arise that cause husband and wife to limit the size of their family. These reasons can include financial stresses, physical illness, psychological and even spiritual difficulties. So, what are the moral ways for a couple to accept God's gift of fertility and yet cooperate with God to plan their families? Authentic family planning honors God's design by supporting the love-giving and life-giving nature of sexual intercourse. It promotes openness to new life and the value of the child. And it helps to enrich the marital bond between husband and wife. Authentic family planning builds healthy and holy families. In the world of family planning, only the methods of Natural Family Planning (NFP) check “Yes” to all these moral characteristics! NFP methods make use of fertility education. All NFP education teaches husband and wife about their fertile time (the time of the wife's ovulation when an egg is released from her ovary). NFP methods can be used to either attempt a pregnancy or avoid one. When avoiding, couples abstain from conjugal relations during the fertile time of the woman. No drugs, devices, or surgical procedures are used with NFP. Any woman, no matter the variety in her menstrual cycle, can use an NFP method. That is because NFP methods help the wife to recognize her unique signs of fertility, which she will observe daily. Love, naturally and generously. It is time to consider and embrace all that God has given us.

Take the time to learn, reflect, and pray about God's marvelous plan for men, women, and Holy Matrimony. Answer the call to cooperate with God's design for married love. Share God's vision of human sexuality lovingly with your family members, friends, and neighbors. Accepting God's invitation to the joy of love is to embrace all aspects of His divine plan for your marriage. If accepted, it will bring joy to your marriage!

People brought their sick on mats to Jesus. They begged Him to let them touch even the hem of His coat.
