An Exciting Study of the Church's First Five Hundred Years

All are invited to our next Zoom Study which will start on **Monday September 30th** from 7-8:30pm, with the last class scheduled for Dec 2. As always, feel free to spread the word and invite a friend or two. **10 Sessions, 45-Minute Videos**

Discover the extraordinary story of the Church's beginnings—a time of courageous saints, brilliant philosophers, eloquent theologians, ruthless emperors, and heroic martyrs. St. John Paul II said, "Christ is the foundation and center of the church. ***Epic: The Early Church*** encourages you to grow closer to Christ through a deeper understanding of his Church.

Here you will get to know the people and events that shaped its first five hundred years. You will see how the Church Fathers boldly confronted early challenges to the Faith—challenges similar to the ones we face today. You will learn the stories behind the first ecumenical councils and the Roman persecutions and meet many of the men and women who gave their lives to defend the Faith. The heroic stories of the early leaders and martyrs of the Church will strengthen and affirm your own walk of faith.

The workbook from **Ascension Press** is all you need for \$24.95. They are now charging a separate fee for the year-long access to the video at \$5.95. We will be watching the video together each session so technically you do not need the access unless you miss a session or want to watch it again. Please email or call Karen 845 742 3255 if you have questions.

Come join us for a 10 Week Biblical Faith Sharing Experience.

The Eucharist in Scripture explores the Old Testament background on meal motifs and then studies the key texts related to the Eucharist in the four gospels and in Paul. Old Testament meals and promises provide a foundation for gospel meals with Jesus, culminating in the Last Supper as it is understood throughout the New Testament. Jesus' bread of life discourse and the early church's practice of "breaking bread" are also explored.

Where: Saint James the Apostle Catholic Church

Time: 10am-11:30am in Doherty Hall

Perhaps you've heard stories of St. Francis of Assisi and seek that same holy simplicity, true peace, and perfect joy. On the evening of October 3rd, Franciscans around the world commemorate the passing of St. Francis into eternal life.

The San Damiano Fraternity of Secular Franciscans invites you to join them for a special transitus service (evening vigil) at St. Lawrence O'Toole Church, Prospect St., Brewster, on Thursday, October 3rd, at 7:00 PM. All are welcome!!

The *Cursillos de Cristiandad* is an international lay movement founded in 1944 in Spain by a group of laymen aimed at teaching men and women how to become more effective Christian leaders in parishes, work situations, and other environments.

The weekend retreats help participants to form a closer relationship with Christ and a deeper experience of Christian community. It was officially recognized by Pope St. Paul VI, who designated the *Cursillos* as a renewal movement of the church.

Our Fall 2024 schedule in English

Men's #222 and Women's #225 both held at Mariandale, in Ossining, NY.

PILGRIMAGE PRAYER INTENTIONS

Our Pilgrims leave for Lourdes on September 16th. Fr. Quarato and the group would be pleased to remember your special intentions. Cut out the form below and drop it in the collection or leave it in the chapel basket. The petitions will be left in the intention box at the Shrine.

LOURDES PRAYER INTENTIONS

Proposal 1: A Wolf in Sheep's Clothing

A statement of the Catholic Bishops of New York State

On November 5, faithful citizens throughout the nation will have the opportunity once again to exercise their sacred right to vote. Pope Francis has reminded us that as thoughtful Catholics, we must participate in the public square for the sake of the common good. Every Catholic is called to do the work of properly informing his or her conscience and voting for candidates and policies that will best advance the natural law, the protection of human rights, the dignity of the human person, the sacredness of all life, and the teachings of Christ and His Church. It is a presidential election year, and there are important votes to be cast for Congress and the state Legislature as well. Importantly, in New York, like several other states, there is also a critical referendum on the ballot.

Educating oneself will be especially important in the case of Proposal 1, sometimes referred to as the "Equal Rights Amendment." The title suggests a noble cause, as all children of God should be treated equally under the law. However, this proposed amendment to the state Constitution is broadly written and could have dangerous consequences if enacted, which is why we oppose it and urge you to vote no. The measure would, effectively, permanently legalize abortion without restriction and up until the moment of birth in New York. Aside from being redundant in a state that already has stripped away all abortion limitations, the amendment would render impossible any change to the law if the hearts and minds of New Yorkers were ever to shift toward protecting the child in the womb.

The amendment's sweeping language and inclusion of "age" as a protected class could also lead to parents' rights being stripped away. Courts could decide that parents have no authority over their minor children on important matters and permit children to make destructive and permanent decisions on their own which they could well live to regret, including but not limited to so-called "gender affirming" treatments and surgeries. The relationship between parents and their children is sacred. Parents must be able to support and guide their children in accord with the natural law, without interference from the government or courts, which would be reaching beyond their competency.

Proposal 1 is a wolf in sheep's clothing that could lead to darkness for many New York families. This amendment disregards the lives of unborn and struggling children in the name of political agendas. It could have dangerous consequences for these children and their parents. As they look to make their voices heard in the public square, faithful Catholics should consider these consequences and vote no. Likewise, they should thoughtfully vote their informed conscience up and down the ballot so that we might usher in change for good.
