## OUR MISSION

Saint Rose of Lima is a Catholic family of believers guided by the Holy Spirit in the saving work of Jesus Christ. We are a pilgrim people of God, companions on the journey to eternal salvation. Called by God, we are priestly people dedicated to proclaiming the Good News, ministering God's love to each other, and to a spiritually hungry world. As a community of Christian believers, we are committed to bringing about the reign of God. We believe in the importance of a personal relationship with Jesus Christ through the word, the breaking of the bread, prayer, and fellowship. We dedicate our lives to His service.

***Issues of Justice & Peace***

As we complete the Advent and Christmas Season which begin the liturgical year and prepare for the end of the calendar year, let us continue to contemplate the message of Pope Leo XIV in his exhortation *Dilexi Te*. We might consider a resolution to keep in mind Pope Leo's words about prioritizing the poor in all we do in our lives.

"All the members of the People of God have a duty to make their voices heard, albeit in different ways, in order to point out and denounce such structural issues, even at the cost of appearing foolish or naïve. Unjust structures need to be recognized and eradicated by the force of good, by changing mindsets but also, with the help of science and technology, by developing effective policies for societal change. It must never be forgotten that the Gospel message has to do not only with an individual's personal relationship with the Lord, but also with something greater: 'the Kingdom of God (cf. Lk 4:43); it is about loving God who reigns in our world. To the extent that he reigns within us, the life of society will be a setting for universal fraternity, justice, peace and dignity. Both Christian preaching and life, then, are meant to have an impact on society. We are seeking God's Kingdom."

Finally, in a document that was not initially well received by everyone, we find a reflection that remains timely today: 'The defenders of orthodoxy are sometimes accused of passivity, indulgence, or culpable complicity regarding the intolerable situations of injustice and the political regimes which prolong them. Spiritual conversion, the intensity of the love of God and neighbor, zeal for justice and peace, the Gospel meaning of the poor and of poverty, are required of everyone, and especially of pastors and those in positions of responsibility. The concern for the purity of the faith demands giving the answer of effective witness in the service of one's neighbor, the poor and the oppressed in particular, in an integral theological fashion'" (Pope Leo XIV, *Dilexi Te*, #97 & #98).
