Schools Foundation**

Gifts from your IRA Account

What is a QCD - Qualified Charitable Distribution: People age 70 1/2 and older can make donations to the Trinity Catholic Schools endowment fund from their IRAs. You can distribute up to \$100,000 in a calendar year from your IRA directly to the Trinity Catholic Schools endowment fund. If your spouse has a separate IRA, he or she can also make a QCD of up to \$100,000 per year.

The benefits of using an IRA Charitable Rollover are many.

It entitles you to tax benefits without requiring you to itemize your deductions.

The distribution counts towards your required minimum distribution.

The distribution is not included in the income on which your federal tax income taxes will be based (thus reducing your taxable income).

Because the distribution is tax free, you can increase your giving without costing you one additional penny.

What is a RMD - Required Minimal Distribution: People age 73 and older that have a traditional IRA account must make an annual required minimum distribution (RMD). If you don't need the income and you don't want the tax liability, you can make a qualified charitable distribution (QCD).

Contact your IRA plan administrator to make a gift from your IRA to the Trinity Catholic Schools Foundation, and contact our office at 701-483-6085 to inform us of this gift.
