TRINITY
TITANS

FALL 2025-2026

ATHLETIC DEPARTMENT PHILOSOPHY

The athletic program at Trinity Junior High and High School is an integral part of the educational process. Athletics offer a positive and meaningful experience that will enhance the growth and development of all young men and women who participate. **The mission of our school is “educating the whole student – mind, body, and soul”. The athletic program has an active part in guiding and assisting the school’s mission, so that each student-athlete reaches his or her potential as a person created by Almighty God.**

The main purpose of interscholastic athletics is to teach life-long lessons that can be learned from participation in sports. **In this way, Titan athletics becomes a formation for life, not just minutes on a court or field.** The student-athlete will learn the value of hard work, caring more for others than self, positive competitive spirit, a healthy lifestyle, personal accountability, and a sense of pride and unity that embraces the whole school.

Participation on an athletic team is a privilege and not a right. High standards of conduct will be expected of all athletes on and off the playing courts and fields. As a Titan athlete, students are expected to follow the rules of the athletic code from the time they join their first athletic team until they graduate. The Trinity athletic department is very proud of the traditions that have been established over the years by many people who have committed themselves to excellence. As a Titan athlete, you are part of that rich tradition of excellence in all you do.

Athletics offer students the opportunity to build confidence and discipline, and our coaching staff works hard to ensure that all student athletes put forth their best effort every day. In accordance with our mission, students know that academics come first — and our student athletes are just as productive in classroom as they are on the field. Titan athletes learn important lessons in the areas of leadership, teamwork, sportsmanship and balance. Trinity’s athletic program supports our students as they enrich their minds, strengthen their bodies and develop their souls through team prayer and an active sacramental life.

ATHLETIC DEPARTMENT GOALS

1. Promote the development of favorable habits and positive attitudes in students that will prepare them for adult life.
2. Promote academic excellence in the classroom.
3. Recognize and promote the lessons learned regarding good sportsmanship, ethics, teamwork and the value of competing - win or lose.
4. Ensure a safe and secure environment for practice and competitions.
5. Recognize and promote the accomplishments of athletic teams and individuals.
6. Encourage coaches to be leaders, role models and persons of character.
7. Emphasize and encourage positive lifestyles that will assist in striving to be the best.
8. Promote cooperation throughout the athletic department, while supporting all other athletic and extracurricular programs.
9. We expect all athletes to adhere to high moral and ethical standards.
10. Trinity High School coaches will be charged with modeling these expectations.

History of Trinity High School Athletics

SPORTSMANSHIP PLEDGE

"Good sportsmanship is displaying a commitment to fair play, ethics and integrity. Please display good sportsmanship throughout this game. THANK YOU. Spectators displaying any unsportsmanlike conduct such as, but not limited to, taunting, baiting, and profanity or carrying flags around the arena, will be removed."

This message provided at the request of the North Dakota High School Activities Association.

KEEP connected

We want to know! Let us know your address change, new plans, celebrations, or anything you would like to share with other alumni.

The newly formed Trinity Catholic Schools Alumni Association is led by a group of Titan Alumni who are excited to connect Trinity grads to each other, and to the Trinity of today!

We'd love for you to fill out our Alumni Information Form so we can share exciting updates and keep you connected with happenings at Trinity Catholic Schools! **SCAN QR CODE >>**
