It has almost been a year since I became the Youth Minister for our parish. As I reflect on the past year, I am very grateful for the opportunities and experiences I have had working with our youth. As I do my

best to help them grow in their faith, they also help me grow in mine. Our parish is blessed with some wonderful teens and we, as a parish, must continue to pray for them. I also ask that you continue to encourage the youth in attending our youth group events. We always welcome newcomers and I would love for the youth of our parish to come together. Our youth group is open to ALL 7-12th graders. Always feel free to reach out to me with any questions you may have, or if you would like more information. Please continue to keep me in your prayers, as I continue in this ministry. I am very grateful for each and every one of you, your prayers, and anything else you might do to help! I pray that our parish continues to grow and become more united in Christ.

God Bless,

Trinity Semler

God's Word is Like Seed...

In today's Gospel reading, Jesus explains the parable of the sower and the seed to the disciples. Like the seed, the word of God comes to all sorts of people. Some people hear it and the devil takes it away, like the seed that falls on the path and is eaten by the birds. Some people hear God's word and love it for a little while, but they don't let it grow deeply in themselves, like the seed on rocky ground that doesn't grow good roots. Some people hear God's word and it starts to grow in them, but they have so many other things going on in their lives that they forget God.

The people who hear the word of God and let it grow in them are like the good soil. When the sower plants the seed in the good soil it gets deep roots, grows high and produces a good harvest. When we receive the word of God well, it takes root in us so that it is really deep in our hearts. It grows when we feed it by learning more about God and trying to love Him more. It produces a harvest when other people come to love God because of us.

What kind of soil are you like? Do you let God's word be snatched away as soon as you hear it? Do you let it take root in your heart and love it, or is it like the seed sown on rocky ground that is too shallow? Do you let other things in your life crowd out God's life in you, or do you let God's word in deep and feed it and let it grow?
