Did you know most donors say they donated because
they were asked? Did you know 16-19 year-olds pro-

know that cancer patients are the biggest users of blood
products? Every 2 seconds someone in the US needs a
blood product.

It is essential for surgeries, chronic illness and traumati-
c injuries. Lifesaving care starts with one person mak-
ing a generous donation.

United Catholic Appeal

How does the UCA differ from my weekly tithing? Tithing is an expression of personal devotion, of an honest and loving relationship with God and a permanent covenant with the Church. Tithing is truly a reminder to put God first in your life (Deuteronomy 14:23). Tithing is a reminder that God is the supplier of everything we have. It is also God's personal invitation to an outpouring of His blessings in your life. Tithing is necessary for your parish to flourish. Please support your local parish as it is where you celebrate Mass and participate in the

YOUNG ADULT

The Young Adult & College Campus Ministry (YACCM) in the Archdiocese exists to lead young adults (ages 18-39) into a relationship with Jesus and equip them to become lifelong, missionary disciples. Gathering as Catholics provides them with opportunities to grow in friendship, to grow closer to Jesus, and to bear His light to the world through our collective example. There is beauty in friendships rooted in the desire to lead one another to Jesus.

The world is pulling our young adults in so many directions. Many times, this direction is away from Christ and the Church. Giving them opportunities to come to Jesus through adoration, spiritual retreats and fellowship gatherings can aid in growing their relationship with Christ and the Church. Young Adult & College Campus Ministry can be a lifeline for many that are searching for a stronger relationship with their faith.

Through the United Catholic Appeal, we are United in the Eucharist. Thank you for your witness as you serve Christ through our young adult brothers and sisters with your donation to the United Catholic Appeal!

United
in the Eucharist

Eucharist, the source and summit of the Christian life. But also consider supporting the United Catholic Appeal since it helps all parishes in our diocese do what no one parish can do alone. It is a great sharing of our love for Jesus and our love for one another.

What is a Shepherd?

Jeremiah 3:15 And I will give you shepherds according to My heart, who will feed you with knowledge and understanding.

A shepherd's responsibility to his flock is to **LEAD** his sheep. Sheep who are left without constant supervision will stray in all directions, turn upside down and be lost forever.

Thank You Father Sengole for leading us to Jesus and keeping us right side up!

A shepherd's responsibility to his flock is to **FEED** his sheep. Proper nourishment so that they do not become sickly and weak.

Thank you Father Sengole for nourishing us with the Word Of God in Sacred Scripture.

A shepherd's responsibility to his flock is to **TEND** his sheep. When a sheep is wounded the shepherd takes note and gives special attention to restoring it's health.

Thank you Father Sengole for noticing the aches and pains; joys and sorrows of we your sheep. Your love, knowledge and understanding is so appreciated!

SO ... as you prepare to leave for Rome ... let us shepherd you with these heartfelt thoughts.

Although the 4,782 miles between us will keep us apart for 158 days there is no distance between OUR HEARTS. Your laughter and smiles will be greatly missed. Out of sight out of mind ... NOT A CHANCE.

May your sabbatical be refreshing, fruitful and filled with new friendships and experiences. You will be in OUR daily prayers. You have no idea how much you will be MISSED!

Arrivederci:

Till we meet again: Goodbye

UPCOMING BLOOD DRIVE: Thursday, Sept. 28th @ SCHS from 10 a.m.— 2 p.m.
Call 765-965-6956 or email: jmatthews@setoncatholics.org to reserve your donation time.

SOME SURPRISING BENEFITS OF GIVING BLOOD*

1. **Your Heart Will Thank You...**donating reduces the thickness of your blood, allowing it to flow more easily...
2. **You May Skip the Gym...**donating one pint of blood “burns” between 600 and 650 calories...
3. **You Can Be Part of a Greater Community...**frequent donors often develop friendships with the center staff and their fellow donors, who are all committed to helping save lives...
4. **You May Reduce Your Cancer Risk...**You need iron to live, but too much can increase your chances of getting cancer. The study found that frequent blood donors had lower risks of liver, lung, colon, stomach, and throat cancer.

WHAT IF?

...everyone eligible to donate became complacent and decided they didn't need to donate because someone else would?
...there wasn't enough donated blood available when you, a loved one - anyone - needed it?
