

100 years

St. Anthony Catholic School, est. 1922

“Looking back with gratitude, looking forward with joy!”

Dear St. Anthony Families,

October 16, 2022

The beautiful fall season is here! Your help is needed to beautify our front entrance. We are looking for a few bales of hay, a half dozen pumpkins, and mums. Your generosity is appreciated. Donations can be dropped off in our main office. Thank you!

You're invited... All are invited to our parish picnic today after the 10:00 AM Mass. Join the fun and celebrate Fr. Fred's 75th Birthday with us. There will be a pig roast, barbeque, a bouncy house, and games. All are welcome.

Kudos... On Thursday, Senora Garcia and Senora Bunker organized a fantastic Frida Kahlo Gallery Walk to celebrate Hispanic Heritage Month. All students examined her self-portraits by participating in “See, Think, Wonder” thinking routines. Senora Bunker even dressed up as the famous Mexican artist! Visit our Facebook page to see some of the highlights.

Gracias... We had a fabulous Pupusa Party to celebrate Hispanic Heritage Month! We thank the families of Gabriela (grade 8), Yessica (grade 3), and Ashley (grade 3) for all of their hard work in making the lunch possible. Thank you Membreno, Pineda, Medina, and Hernandez Families for making the lunch so special!

Model UN... Sr. Amelia and Mrs. Fitzgerald have been working hard with our middle school Model UN club. Just this Saturday, in collaboration with our partners, they offered a wonderful training to get our students ready for their upcoming event. Students learned how to do a power search online using keywords, evaluate online sources for credibility, write a speech and deliver it, write a researched resolution, and participate in a moderated and unmoderated caucus. Our St. Anthony students were very involved and enjoyed the breakout groups with students from around the country and the world.

Tutoring... Did you know that all academic teachers have a designated day every week that they are available to tutor after school?

Plus Portals... Students in grades 4-8 have their grades posted weekly on Plus Portals. Contact Mrs. Hedian or Ms. Downey if you need help logging in.

Child Protection... I ask all parents and guardians to work on completing the archdiocese's child protection requirements—creating a Virtus account, scheduling a workshop, and getting finger printed through a Live Scan finger printing site. Contact Ms. Moore with any questions.

Thank you for all you for our school community. Your continued support and involvement make the difference!

Mr. Michael Thomasian

Principal

Senora Bunker dresses up as Frida Kahlo, a Mexican painter, best known for her many self-portraits, portraits, and works inspired by nature and Mexican artifacts.
